A SALUTE TO ALISAL

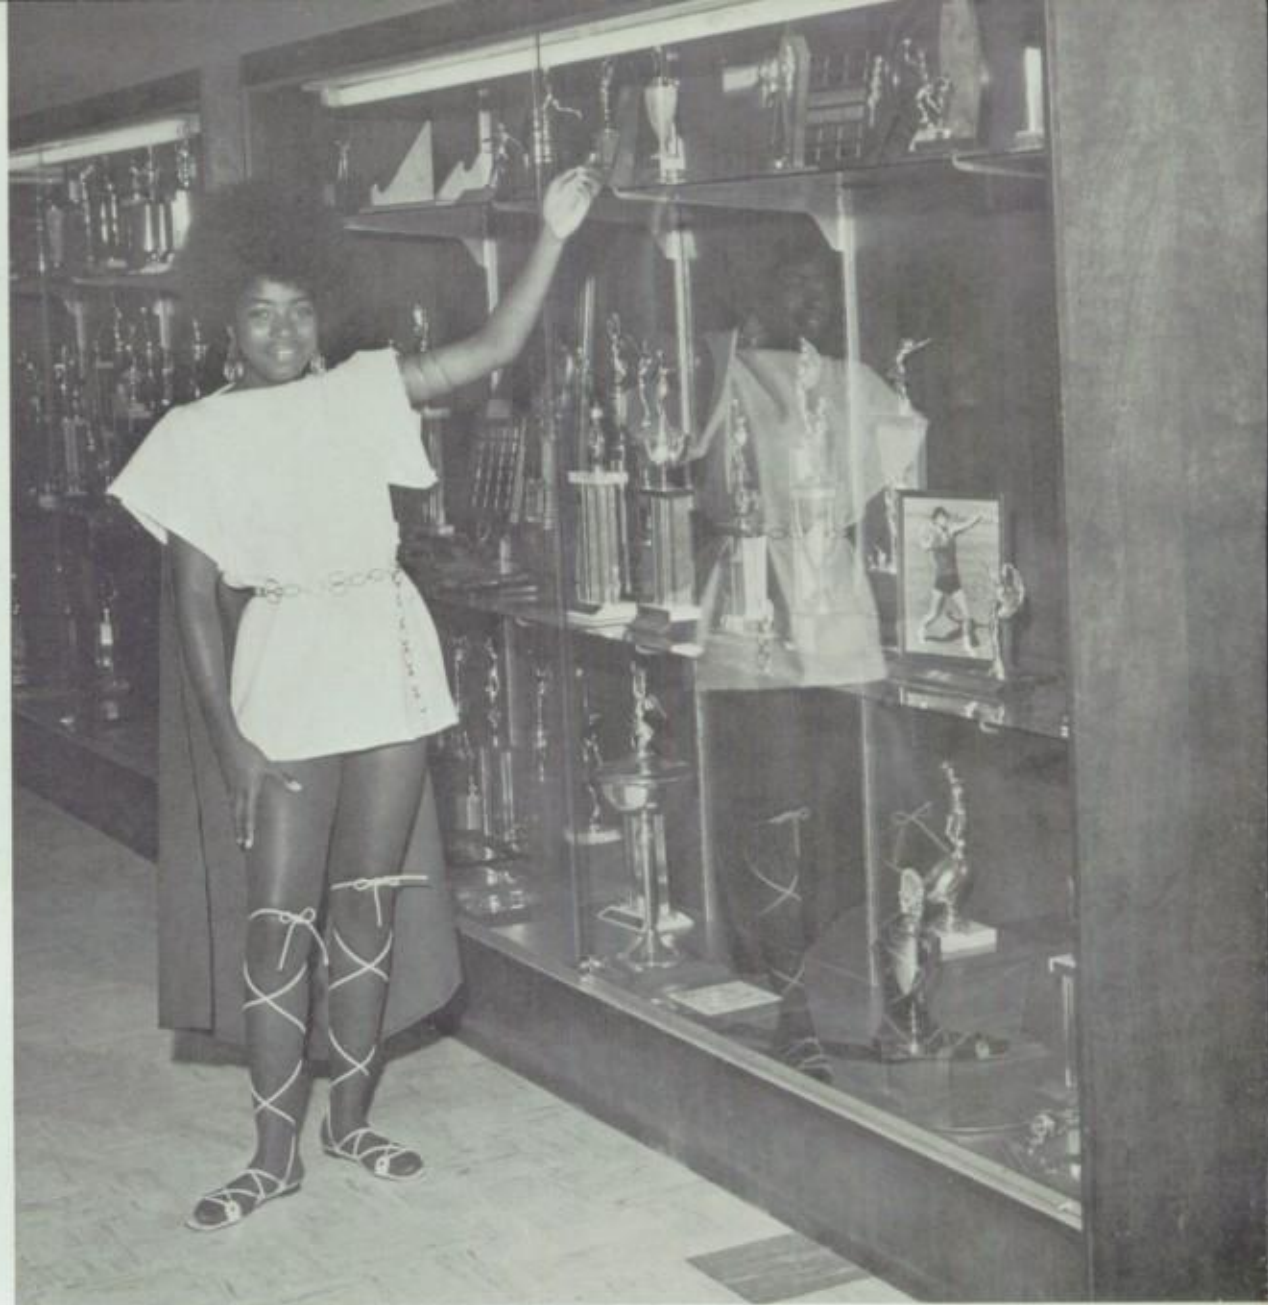

The Trojan '72 is dedicated to the people of Alisal High School: students, faculty, and administration.

This book is not only dedicated to us here now, but is also dedicated to those people who have already left Alisal and to those people who have yet to come.

Those of the past formed Alisal's reputation and traditions. We have been entrusted with these traditions, to uphold them, and to add to them. Those of Alisal's future will, in turn, be entrusted with our responsibilities: to preserve Alisal's reputation, to uphold the traditions of Alisal, and to add new and better honors to the name of Alisal High School.

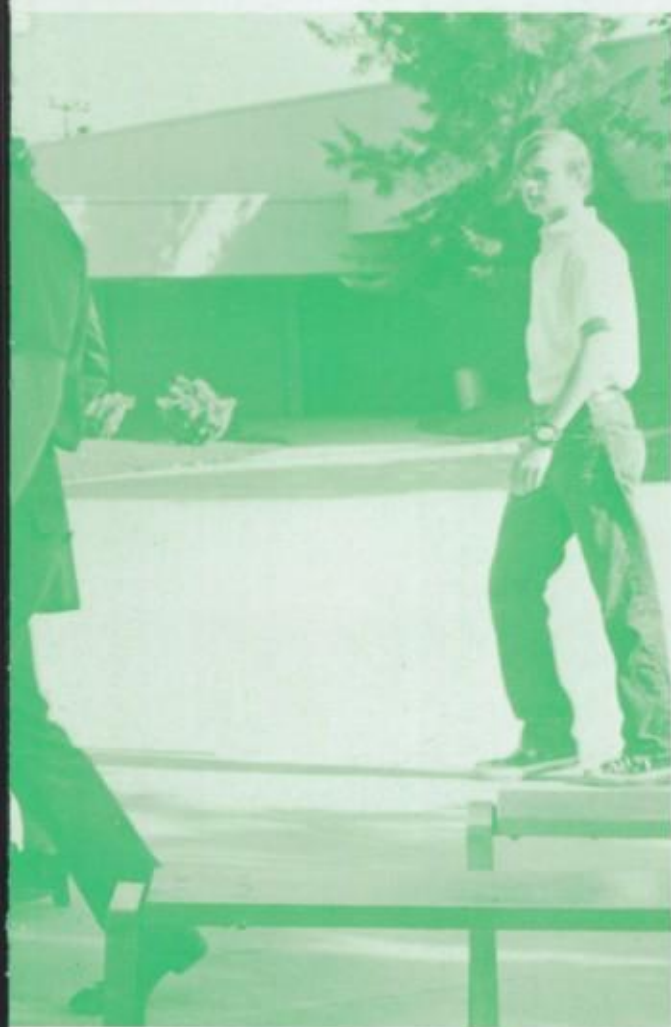

People of Alisal High School, this book belongs to you.

SENIORS

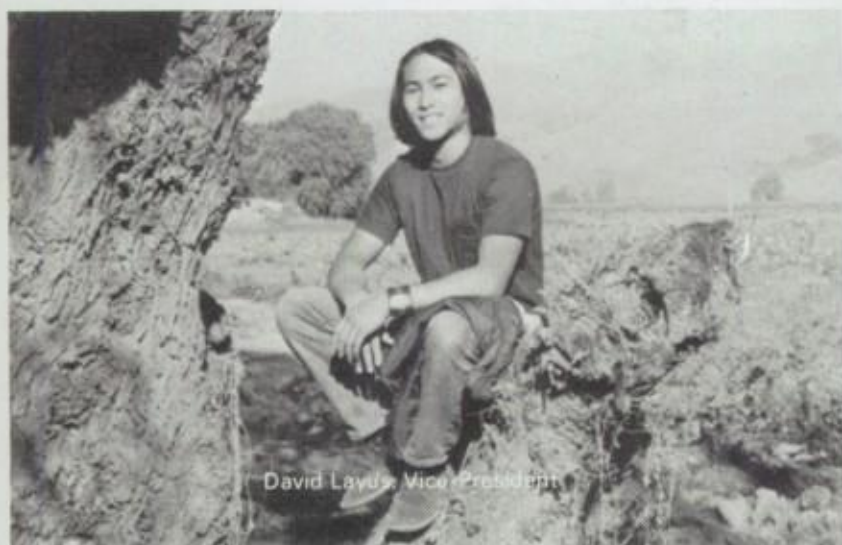

Christmas Ball, First Aid, Graduation . . . The Senior Class

The Senior year of the class of '72 was filled with traditions. The class began the year with football concessions which netted them \$2,000. The Christmas Ball is traditionally given by the Senior class. Three special days were also held for the Seniors: Kite and Bermuda Day, Childhood Reunion Day, and Toga Day. And of course, the class had its traditional chicken barbeque and playnight.

The Senior class officers were David Stein, president; David Layus, vice-president; Adrian DeLa Torre, treasurer; and La Vonne Sarmiento, secretary. Mr. Earp advised the class of '72.

CLASSES

Recycling, Basketball Concessions, Prom . . . the Junior Class

"It was a smash!" said President Ralph Melendez. Not just the glass recycling project, but the whole junior year of the class of '73. With Barbara Mazzuca as Vice-President, Nita Forgnone as Secretary, and Theresa Amaro as Treasurer, the Junior Class worked hard to make money for the prom. The candle sale, car bash, and basketball concessions all helped to expand the class treasury.

The officers all agreed that Miss Blauert and Mr. Collins are the best advisors the class has ever had. Go, Juniors!

The only way to go.

"Shaft" moves the Juniors.

London Bridge?

Food, Games, Dancing . . . The Junior Class Playnight

"Shaft" provided the fantastic music for the Class of 73 at their '71-72 playnight. The girls' gym was filled with laughter, music, and fun.

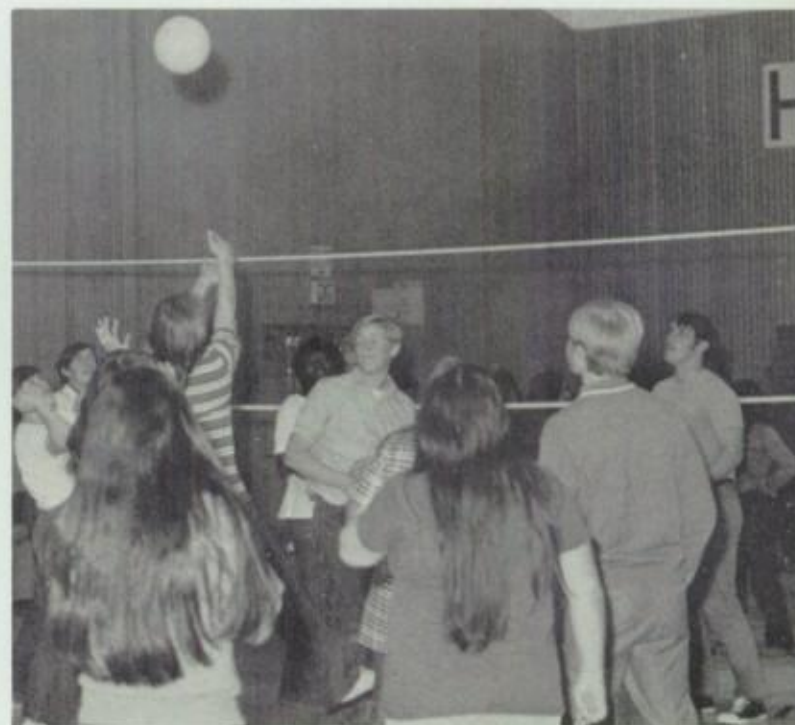

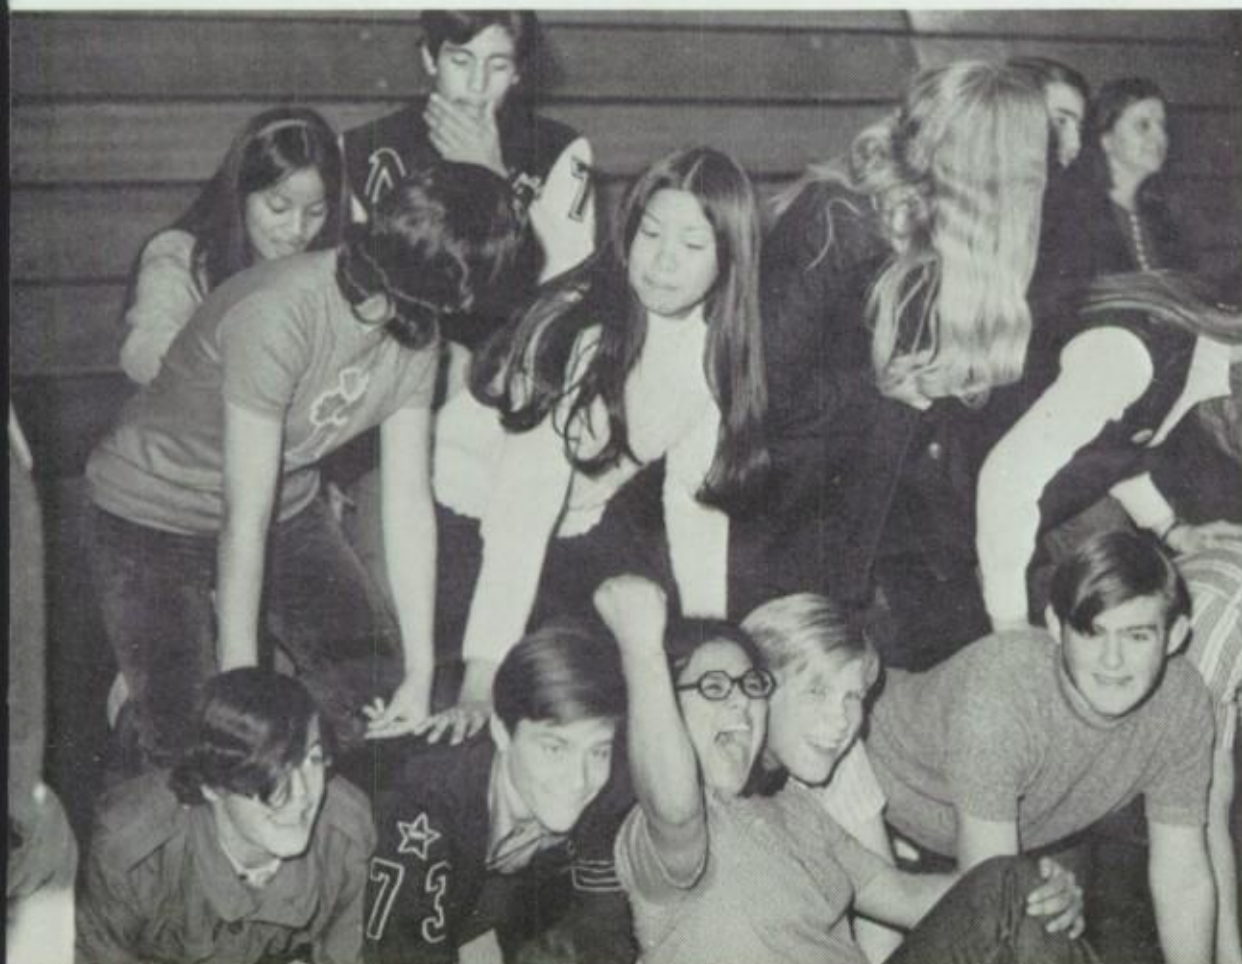

As is traditional, the class played volleyball, basketball, and other similar games, in the boys' gym.

To begin the evening right, the Juniors devoured delicious barbequed hamburgers in the cafeteria.

The food sure looks good.

I got it!

Theme, Food, Bids Prom Committee

The time: May. The mood: romantic. The place: the Alisal High Junior and Senior Prom.

Ralph Melendez, the Prom Committee chairman, worked with his lesser committee chairmen to produce ideas. These ideas were then put into action by the members of the respective committees. The committees were headed by: Kathy Pettigrew, Bids; Bill Snyder, Food; and Claudia Ward, Decorations.

With the tremendous help of the Junior class advisors, Miss Blauert and Mr. Collins, the Junior Prom Committee for 1972 was able to reach its goal: the Senior class was presented with a beautiful Prom, "A Night In Venice".

Claudia gets wrapped up in her work.

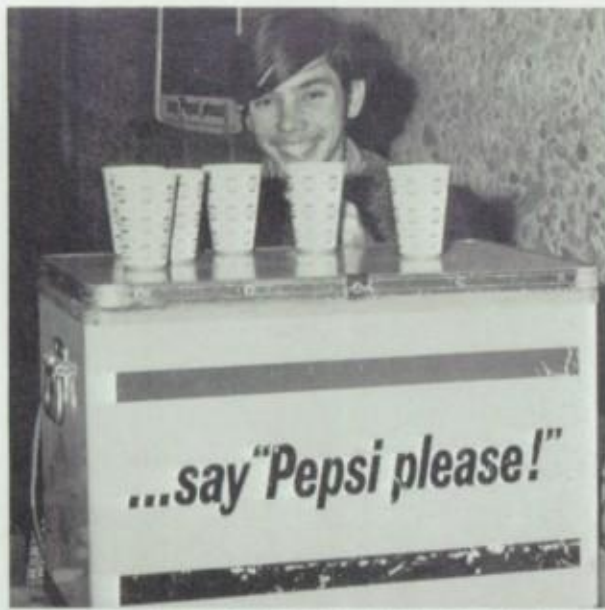

The committee.

"It'll go like this."

Every penny counts.

Buying, Selling, Eating Junior Concessions

Traditionally, the Junior class has been in charge of all concessions at home basketball games. This year there were nine games at which the class sold hot dogs, Pepsi, candy and gum. All profits made went toward putting on the Junior-Senior Prom. Students in the Junior class volunteered to work in shifts.

Linda and Sam work hard.

"Your order, sir!"

Work, work, work!

"Hands off, Ralph!"

Class Rings, Playnight, Mathematics Test . . . the Sophomore Class

It was fun, fun, and more fun at the sophomore playnight! When it was over, President Willie Pura, Vice-President Erik Stein, and Secretary Treasurer May Domalaog all heaved a happy sigh. It was the best playnight yet for the spirited class of '74.

The sophomore advisors, Miss DiVall, Mr. Favero, and Mr. Romero worked hard with the class officers to produce a really great year for the class of '74.

Sophomores, rah!

Fun, Games, Rings Sophomore Activities

In October, the Sophomore class came to life. The first signs of this were seen when a ring display appeared in the trophy case. Soon after, the class voted on a style and design. Then, suddenly, the Ring-Man was on campus, and the class began ordering.

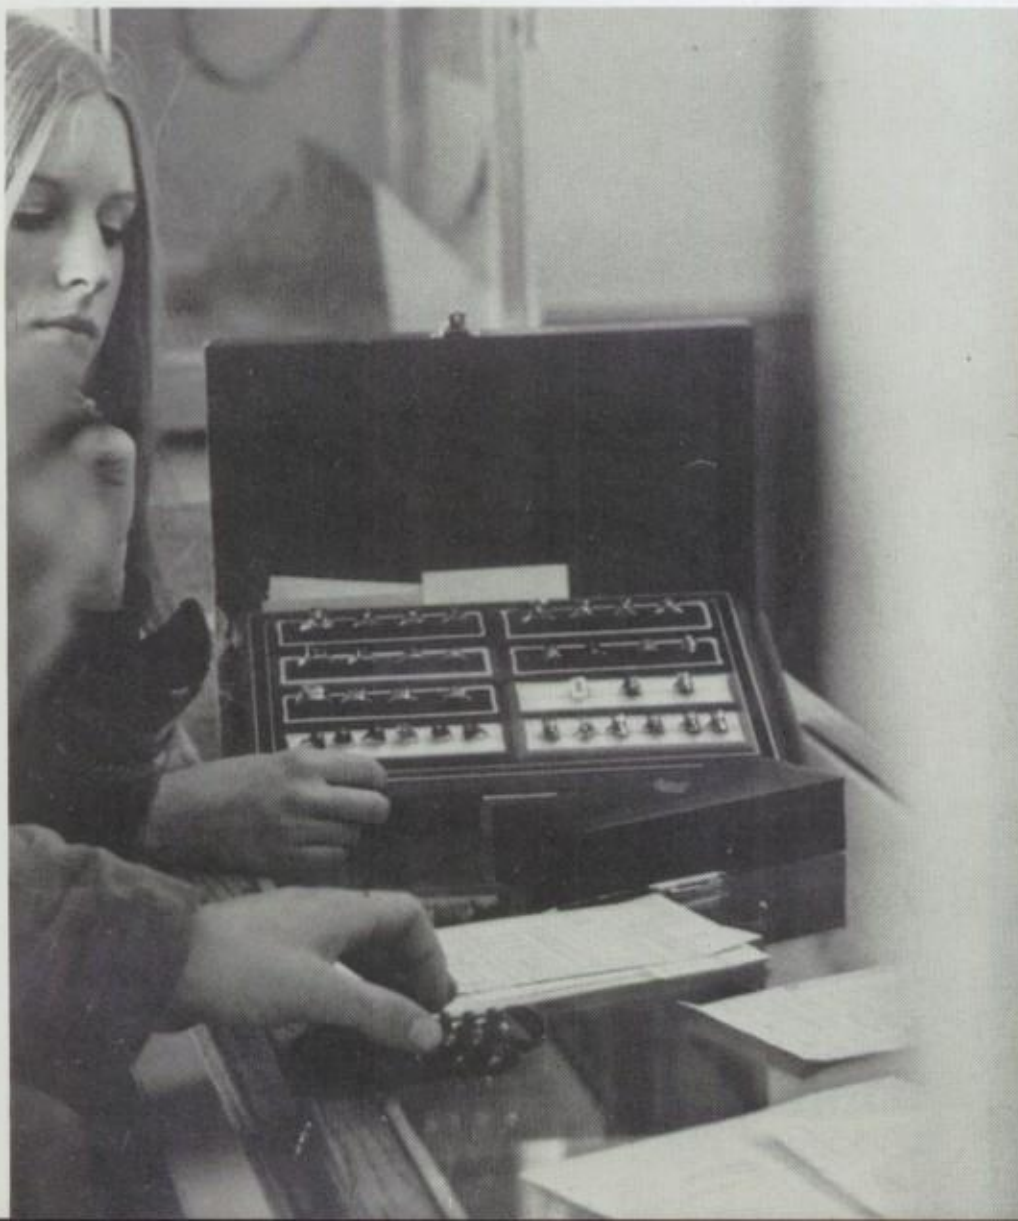

Things settled down after that, but not for long. The call soon went out for sophomores to help at the Christmas Ball. Although the offer was open to both boys and girls, the boys backed out when they heard the requirements. So there were just girls who dressed in the elf costumes to serve food.

But the sophomore year wasn't all fun and games: there was a state math test to take, too. After weeks of careful studying, the test was given in all the Sophomore English classes.

Orientation, Elections, Fund Raising . . . The Freshman Class

The class of '75 is planning ahead. During their first year at Alisal High, the freshmen had a carwash, a stationery sale, a playnight, and a highly successful Pancake Breakfast. The proceeds from these events were put away by the class for future use on their prom.

The far-seeing class has as its officers: Mike Pura, President; George Robles, Vice-President; and Vicki Teague, Secretary-Treasurer. The class advisors, Mr. Espinoza and Mr. Mortenson, are helping the freshmen to plan ahead.

Freshman Memories . . .

FINE ARTS

Creating, Ideas, Dreaming . . . Art Department

Many field trips were taken by the students in the Art Department. Besides their annual field trips to San Francisco, Berkeley, and Cannery Row, the class also took a trip to Carmel to see art galleries and shops. The students on these trips were given candle making lessons and then utilized their abilities by making sand candles on the beach in Carmel.

The Art Department began something new and big in '72: They had a Renaissance Faire, featuring music, drama, woods, metals, and fine arts. This Faire will become an annual tradition for Alisal High.

Oooh!!

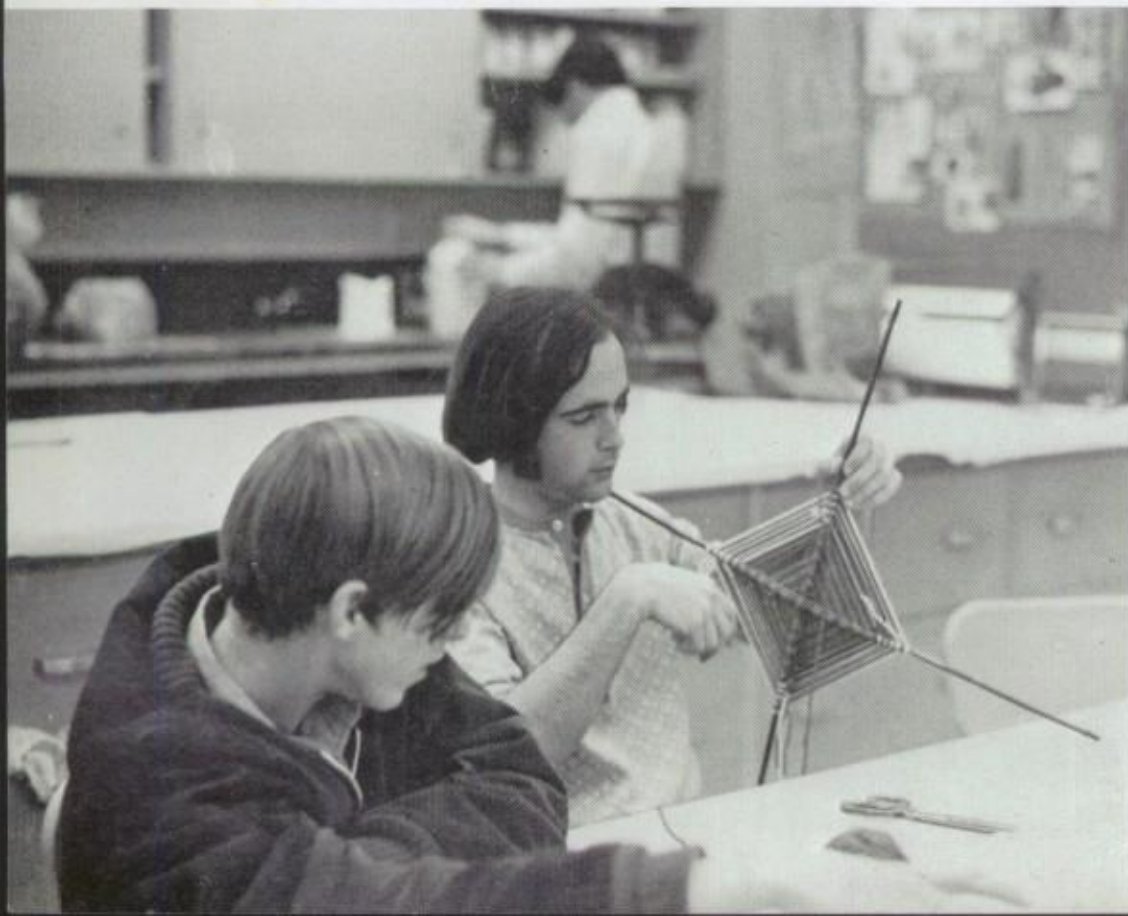

Yarn and sticks.

Clever hands mean a clever mind?

Make-up, Costumes . . .

Drama Department

Make-up, staging, and lighting were some of the many aspects of the theater which drama students learned this year. They participated in many of the shows, helping on construction, props, and painting. One-acts were also produced within the class this year. Students who were interested got together and chose a director and began to rehearse on one-acts. Then later in the year they presented them to various English classes.

"Standard Of Saint George", Long Beach, Spring Reviews . . . Instrumental Music

The whistle blew, the band stepped off, and another parade had begun. The band: the great Alisal High School Trojan Marching Band. The band travelled to many of the big parades in California: San Mateo, Merced, and San Luis Obispo, to name a few. This year our band was honored by the third invitation it has received to return to Long Beach.

But our band is not only a great marching band. In December, the band became a fantastic concert organization. The band worked on many different types of music during the year.

Directing the band is no longer a solitary job. This year the bands received a new director, Mr. Bob Brown. Mr. Brown took over the duties of directing the concert band. Mr. Horsely and Mr. Brown both retained the direction of the marching band.

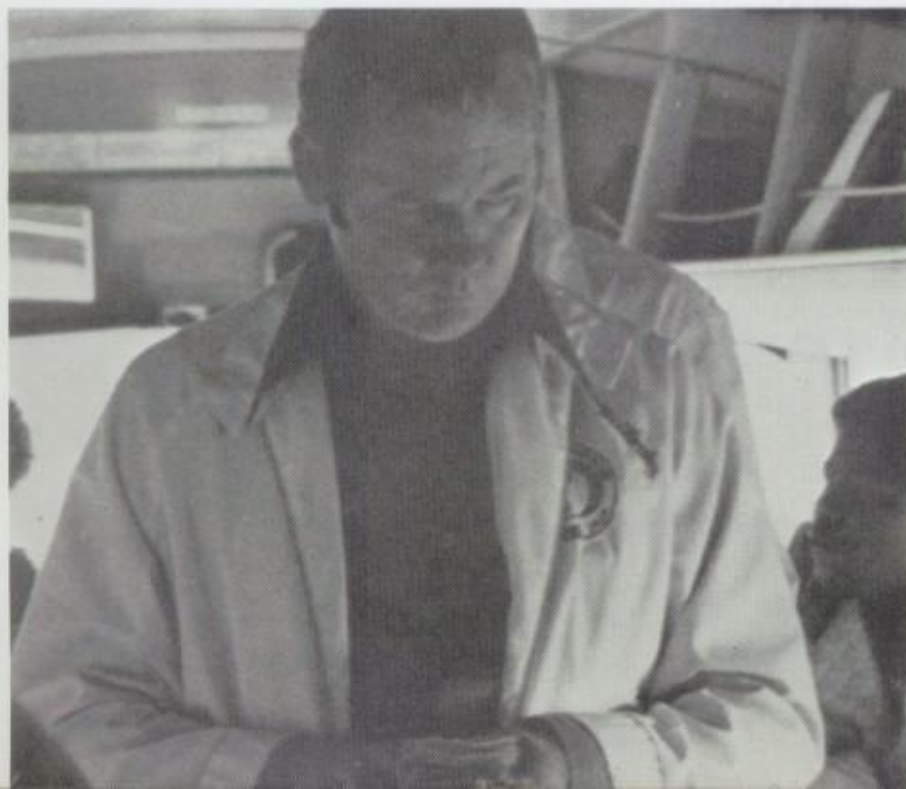

An essential part of a rally: the band.

Do, Re, Mi . . . Vocal Department

Five groups comprise the vocal music department: Girls' and Boys' Glee, Girls' Choir, A Cappella, and Vocal Ensemble. These groups, seemingly unconnected during practices, combined to form a troupe of entertainers for concerts, and there WERE many concerts and other engagements. All five groups performed in the Salinas City Music Festival, with vocal groups from the other two high schools. Other performances included a Spring Concert, a Christmas Concert, assemblies, and tours. Skillfully leading this year's vocalists was Mrs. Jane DiGirolamo, fondly called "Mrs. Di."

Plenty of practice always helps!

ACTIVITIES

Activities, Leadership . . . ASB Officers And Commissioners

This year the ASB had a tremendous set of officers: Tom Pura, president, Pete Favero, vice-president, Suzanne Briggs, treasurer, and Flora Albano, secretary. Two able assistants were Kirt Andrus, assistant treasurer and Agnes Cosio, assistant secretary.

The ASB officers were aided by the commissioners. The commission board consisted of: JoAnn Stidolph, social activities, Linda Schneider, roster activities, Viona Epperson, clubs and organizations, Kathy Pettigrew, student store, and Bill Snyder, publicity.

With the help of Mr. Poulsen the officers and commissioners were able to provide leadership for the entire student body.

Some of the accomplishments of the officers and commissioners included the installment of a jukebox in the new Student Lounge and more frequent Activities Days.

Scholarship, Leadership, Fund Raising . . . CSF Scholastic Achievement, Service, Character . . . NHS

An annual event of the Alisal High CSF chapter was a trip to the Santa Clara University. They also toured the Egyptian Museum, and then descended upon the Eastridge Shopping Center.

The club officers for the 1971-72 school year were Tsuyoshi Bunden, president, Russ Krammer, vice-president, Robin Doerner, treasurer, and Dot Trimble, secretary. Mr. Puterbaugh advised the club.

Pax vobiscum. Well, if you don't know what it means, don't worry. Just ask one of the scholastically adept members of the National Honor Society, and you will probably receive an answer. This group comprises some of the keenest minds in school, not to mention their eminent grade point averages.

This past year the club was advised by Mr. Rowland and Mr. Rambo, with Ray Scott, president, Viona Epperson, vice president, Russ Krammer, treasurer, and Dot Trimble, secretary, in command of the leadership segment of the club.

Remember the Pie-Eating Contest? If so, you remember LSEPF. The club also sponsored a breakfast and dinner with the funds they earned from their East/West football game drawing and their Giants'-game drawing.

Mark Haddan, president, worked with the club advisor, Mr. Fourcade, to produce a highly successful year. Other officers were: Bev Burkeen, vice-president, Nancy Adams, treasurer, and Beth Sherrer, secretary.

The Checkers' Club is not for people who play checkers, but is actually an honorary drafting club. Only those students making A's or B's in drafting are asked to join.

The club working with Mr. Ponting as advisor, elected John Bandy as president, Lyndon White, vice-president, Tsugu Kuramura, treasurer, and Dave Layus, secretary.

The Quill and Scroll, an honorary organization for high school journalists, sponsored many fund raising activities this year; among them a candy sale and a car wash. The highlight of the year was the club's annual barbeque at the home of their advisor, Mr. Puterbaugh. Officers included: Charles Lee, president, Laura Sullivan, vice-president, Kathy Pettigrew, secretary, and Linda Schneider, treasurer.

With Mrs. Smith, advisor, and Chris Jenson, president, Steve Delory, vice-president, Tom Yamashita, treasurer, and Ramona Zapora, secretary, the German Club successfully completed a very productive 1971-72 year. Some of their activities included a Candy Cane Sale and a decorated door entry in the Annual Christmas Door Decorating Contest in which they placed first.

Fairs, Farming, Animal Husbandry . . . FFA Books, Reading, Literature Appreciation . . . Library Guild

Perhaps one of the most active clubs on campus is the Future Farmers of America. Annual activities the club sponsored were: Donkey Basketball, King and Queen of Heats Dance, and the FFA School Fair. The members also represented the Alisal chapter very well at various fairs in the Salinas area.

The officers for 1971-72 were: Lynn Miller, president, Bill Snyder, vice-president, Paul Richardson, treasurer, Kathy Martin, secretary, and Charla Rubis, sentinel.

The Library Guild works to promote an interest in books, libraries, and reading. The club took a field trip to an information retrieval center-a computerized library.

This year's Library Guild was headed by Walter McCommans, president, David Hostetler, vice-president, Mary Scott, treasurer, and Martha McCommans, secretary. Mrs. Wilson ably advised the guild.

Tenors, Basses . . . Boys' Glee Sopranos, Altos . . . Girls' Glee

Girls' Glee and Boys' Glee: after hearing their preciseness and fine musical tones one would never imagine how much time and effort had trained and nurtured these once beginning vocal students. Conducted by Mrs. DiGirolamo, the Gleees were introduced not only to the fundamentals of chorus singing but also were carefully presented with the mechanics of professional chorus discipline and organization. The Gleees delighted audiences with their Christmas and Spring concerts.

Mixed Voices, Chamber Music . . . A Cappella Voice Control, Sight Reading . . . Girls' Choir

The elite vocal group, A Cappella Choir, was instructed by Mrs. DiGirolamo. Students in this group strived for the perfect blending and harmony of five parts: basses, tenors, altos, and first and second sopranos.

The type of music sung was usually foreign and religious. The foreign music proved to be the most entertaining to the Salinas audiences. This group represented Alisal skillfully at the Christmas program and at the Salinas Festival.

The Girls' Choir is one step away from A Cappella Choir. This dedicated group of female vocalists directed their attention toward good tone quality, improved sight reading, and advanced music fundamentals.

Although the girls concentrated on preparing for A Cappella, they also sang at various events. Notable performances were exhibited at various concerts. Mrs. DiGirolamo, their conductor, devoted many hours of hard work to guide and encourage these girls.

Leatherwork, Art Shops, Crafts . . . New Renaissance French Culture, Language, People . . . La Fleur de Lis

Just getting people to "art" was the theme of this club. To pursue this interest the club participated in many activities; among them the New Renaissance Faire and field trips to various art galleries in the Bay area.

The officers were: Kay Kidder, president, Alan Abbott, vice-president, Peggy Snarr, treasurer, Doyle Long, secretary, and Mike Brooks and Karen Pettigrew, activities commissioners. Mrs. Roessler was the advisor.

La Fleur de Lis: this new campus club sponsored and promoted interest in the French language and culture. Among their activities, the club began what they hope will be a yearly tradition: a field trip to Crepes Carmel.

Officers of the club were: Linda Taylan, president, Grace Fong, vice-president, Tom Pura, treasurer, Cleo Asuncion, secretary, and Claudia Ward, historian. Mrs. Bainter was the club's advisor.

Concerts, Musicians, Vocalists . . . Unions NFL, Speeches, Competition . . . Speech And Debate

A recreational meeting began the 1971-72 year for the Unions. The club sponsored a two-week cookbook sale during Christmas. The club used their funds for scholarships and for purchasing items for the music groups.

Officers of the club were: Steve Delory, president, Richard McIntire, vice-president, Rita Morales, secretary-treasurer, and Mike Nurse and Steve Latham, sergeants-at-arms. Mrs. DiGirolamo happily advised the Unions' Club.

Keeping a Christmas tradition, the Speech and Debate Club sold mistletoe again this year. The funds earned this year helped to send the speech team to many tournaments, including Torrance and U.S.F.

The officers were Viona Epperson, president, Mary Lowe, vice-president, Virginia Mosley, treasurer and historian.

Officers included: Scott Rogers, president, Debbie Steele, vice-president, Linda Taylan, treasurer, and Becky Husted, secretary. Mr. Mullins worked with the Thespians as their advisor.

The Health Careers Club began its year with a helpful donation of canned food and a Christmas tree to a needy family in Salinas.

Judy DeLa Torre acted as president, and Judy Canart served as secretary-treasurer. Miss Brown gave assistance and advice to the club.

Pins, Strikes, Spares . . . The Bowling Club

Track Meets, Football Programs . . . Track Interest

A familiar place to the Bowling Club was the Valley Center Bowl. The club met twice weekly to practice bowling skills and techniques. Inter-squad competition was another favorite activity the club participated in. Maybe some day in the far future, Alisal might claim a bowling pro as one of its alumni.

All those little jobs at the track meets? Track Interest did them. And those neat football programs? Produced by Track Interest.

Coach Allen, advisor of the club, worked with his officers to keep things running smoothly. The officers were: Mary Arios, president, Pat Amaro, vice-president, Helen Morales, treasurer, and Theresa Amaro, secretary.

Poise, Personality, Smiles . . . A Songleader

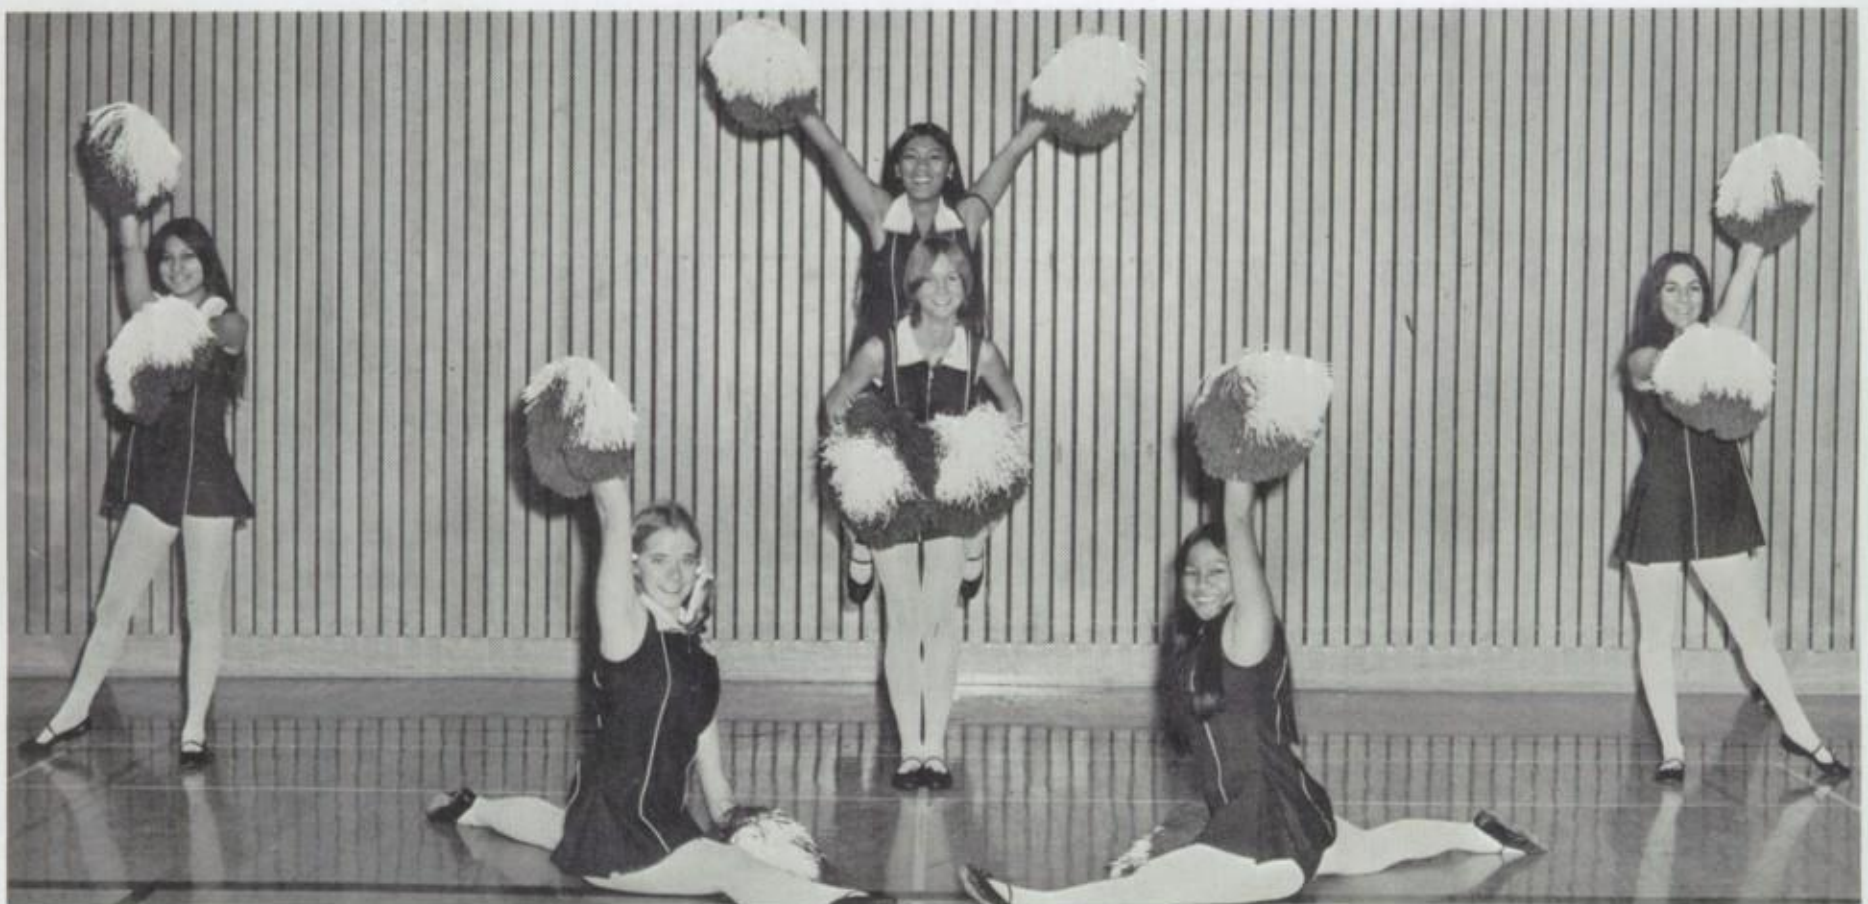

Have you ever noticed six girls in the front of the school dancing and yelling? Did you think they were students in a new experimental math class? You were wrong, for those talented beauties were our songleaders. Their spirit and enthusiasm has brought many interesting and entertaining half time shows to Alisal's numerous football and basketball fans. These girls should certainly be commended for a job well done. Amelia Isla was the head songleader for 1971-72.

What yells, goes to all Alisal sports events, and keeps the Alisal spirit going in school? Our cheer leaders. Their poise, beauty, and smiles kept the rooters happy and yelling. Much time, work, and sweat has been put into this year by our cheer leaders, but their reward was the Salinas High Jamboree Rooters' Trophy for the seventh year in a row. Thanks for a job well done.

Piñatas, Spanish Language . . . Spanish Club Wrestlers, Statisticíans, Meets . . . Illíos Club

For the Spanish Club, the year began with a pinata Christmas party for the children of Bardin School. The climax of the year was the Cinco de Mayo festivities.

The club's officers were: Martha Real, president, Francisco Vasquez, vice-president, Rachel Gutierrez, treasurer, and Mary Aldape, secretary. Mr. Rice and Mr. Romero advised the club.

A brand new innovation at Alisal wrestling meets this year was the girls in the little green suits: the statisticians. These girls helped to keep score, among other things. Not all the girls in the Illíos Club were members of the elite set with the long name. Most of them were just interested in the sport. The rest of the membership was made up of the wrestlers themselves.

The president of the club for 1971-72 was Max Houser. Kenzo Yonemitzu served as the vice-president, Debi Climer, secretary, Deedy Ray, treasurer. Mr. Espinoza and Mr. Rice advised the club.

Home Rooms, Commission Meetings . . . Homeroom Representatives Cinematography Appreciation, Film Presentation . . . Classical Films

A vital part of ASB is the Homeroom Representatives. This group is the major connection between the commission and the remainder of the Alisal student body. The representatives are elected by their third period classes whom they represent at commission meetings. All vital information is then reported to the homeroom classes where discussion and voting takes place.

This year's exciting movies were brought to you by the Classical Films Club. Officers were: Erik Stein, president; Steve Crain, vice-president, Rosalie Ramos, secretary, and May Domalaog, treasurer. The officers and their advisor, Mr. Foreman, tried to bring movies to Alisal which the student body would enjoy, such as "Psycho" and "Straight Jacket".

Here are five good reasons why the Frosh-Soph and J.V. teams placed so well during the school year: Debbie Douglas, Liz Arias, Fay Bradshaw, May Domalaog, and Cheryl Favero. Do you know what special feature about them did it? Their contagious smiles. This vivacious group proved to be the spark which ignited the rooters sections to bolster the victorious Frosh-Soph and Junior-Varsity teams.

For the first time in many years, the Alisal Band had a special person marching in front. This person? A solo majorette, Paula Cushman.

Paula traveled to Long Beach with the band this year where she did not compete, but where she gained valuable experience for future parades. Paula plans to use her experiences to illuminate band performances next year.

A brand new club, the Future Secretaries of America, began the year with an initiation for charter members. The club sponsored a couple in the King and Queen Contest.

Officers included: Carol Cuellar, president, Rosie Hernandez, vice-president, Bev Burkeen, recording secretary, Sue Rohrenbach, corresponding secretary, and Lee Golian, treasurer. The club was advised by Mrs. Kirchner and Mr. Kroeger.

A club interested in mother earth and her environment was the Ecology Club. This group of dedicated students held many activities pointed toward saving the environment. Glass recycling at the Smucker's plant was one of these environmental care activities. Other budgetary activities included selling bulletin boards in the shapes of frogs, mushrooms, and happy faces. The club was successfully advised by Mr. Porter McLaughlin.

Rick Slape, president, Steve Guidotti, vice-president, John Marsala, treasurer, Bruce Whiteman, secretary, Bob Percy, sergeant-of-arms, and Mr. Hale, advisor, headed this year's metal club. Their goal was to make the Alisal student body aware that there was more to metals than just metal. The club created many fine art objects in their shops; objects which were enjoyed by the students and which were sold to bolster the club's finances.

The 1971-72 Rifle Club learned and practiced many skills. They were informed about rifle safety, gun handling, the components of a gun, and about the care and maintenance of guns. Many of the members joined the N.R.A., the National Rifle Association. Every Tuesday the club travelled to the police firing range to practice shooting. Mr. Lidard advised the club.

Initiation, Competition, Sales . . . GAA Sweaters, Points, Blocks . . . Block A

The Girls' Athletic Association was one of the most active clubs on campus. The members of this organization participated in many different sports under the leadership of Mrs. Camany. Some of the fund raising activities included Swap-A-Pop sales and Fuzzy sales. The money earned was used to meet the needs of the club and for the annual five hundred dollar athletic scholarship.

The Block "A" club, which consists of honored sweater holders only, was quite active this year, under the leadership of Jackie Simon. One of the club's activities was a trip to Candlestick Park to see the East-West Shrine game on New Year's Day. A very exciting finale to the game was when the girls met O.J. Simpson, who was a sports-caster for the game.

Parades, parades, and more parades describe the activities the Alisal High Trojan Band participated in at the beginning of the school year. The band was, once again, honored with an invitation to the All-Western Band Review in Long Beach.

Although the band was busy marching in parades, they also entertained at football games. Mr. Brown, co-director, planned and directed the excellent halftime shows the band performed.

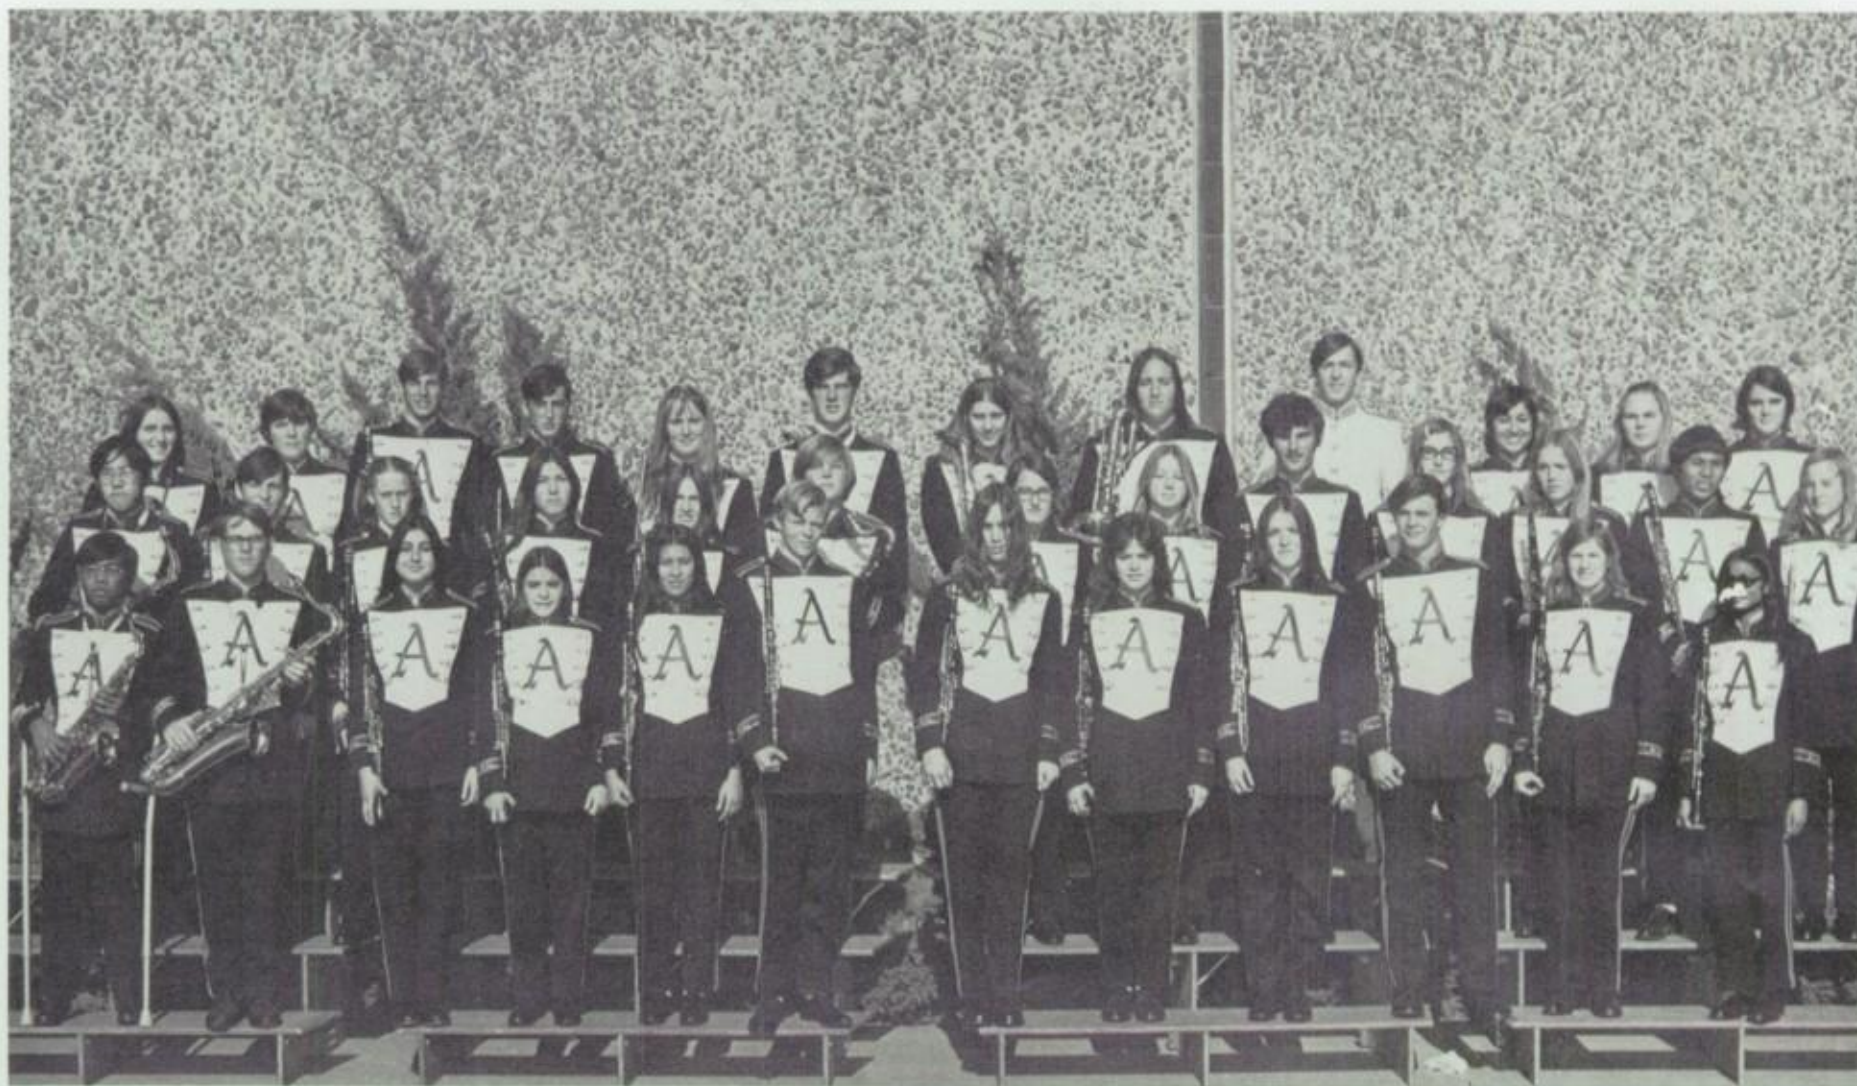

During the winter the band began practicing for a busy concert season. They performed at various festivals including the Salinas Music Festival. Mr. Horsley and Mr. Brown were the patient and skillful directors.

Layouts, Pictures, Copy . . . The Yearbook Staff

"Blood, Sweat, and Tears" might be the theme for this year's staff of the Alisal High Trojan Yearbook. No two people know this better than the Editor-in-Chief, Rita Morales, and the advisor, Mr. Angelo. Many hours of hard work and painstaking study contributed to the bond that linked each member to one another; thus the production of the Yearbook.

Many new things were tried, and a few old ideas were packed away; but the mixture of old and new proved to be a good one.

For a first-time editor, Rita Morales has given much to this book, but what it has given her in return is much greater. The advisor, Mr. John Angelo, was often the only island of calm while the staff was in an uproar.

And of course there were many upsets through the year: disappointments about production, missing pictures, and the worst upset of all, being late for a deadline.

Confusion reigned before each deadline. Yet, it all contributed to the finished product. A feeling of relief flooded each staff member as the staff crowded into Mr. Kearney's office to preview the year's book.

Producing a monthly newspaper is not an easy job, but our Trojan Tribune staff continued to do an outstanding job. The paper was named second internationally for the second year. Many other awards were received by the staff.

The journalism advisor, Mr. Puterbaugh, received for the second time the California Newspaper Publishers award for outstanding journalism instruction. The Columbia Scholastic Press Association Medal of Honor went to Charles Lee for outstanding sports writing for both the Trojan Tribune and the Salinas Californian. Editor, Laura Sullivan, received the Salinas Californian plaque for quality newspaper leadership and best all-around staffer.

The Tribune has other fine editors on its staff, including Connie Elliott, assistant editor.

Big Ben, Fish and Chips . . . AFS Exchange Week

This year, the ASB had a very special visitor: Andrew Linnell, a foreign exchange student from England. Andrew attended school at Shafter High this year, but agreed to come to Alisal for Foreign Exchange Week.

During his stay at Alisal, Andrew stayed at the home of Earl Escobar. Each day of the week, Andrew had a different guide who took him to his classes. His guides were Earl Escobar, Grace Fong, Lori Gannone, and Debi Climer. On Friday, the AFS had a farewell breakfast in Andrew's honor. On Saturday, Andrew left Alisal to return to Shafter.

The exchange committee was headed by Mike Pura. Committee members were Debi Climer, Grace Fong, and Phil Dyk.

Spirit, Enthusiasm, Football The Jamboree

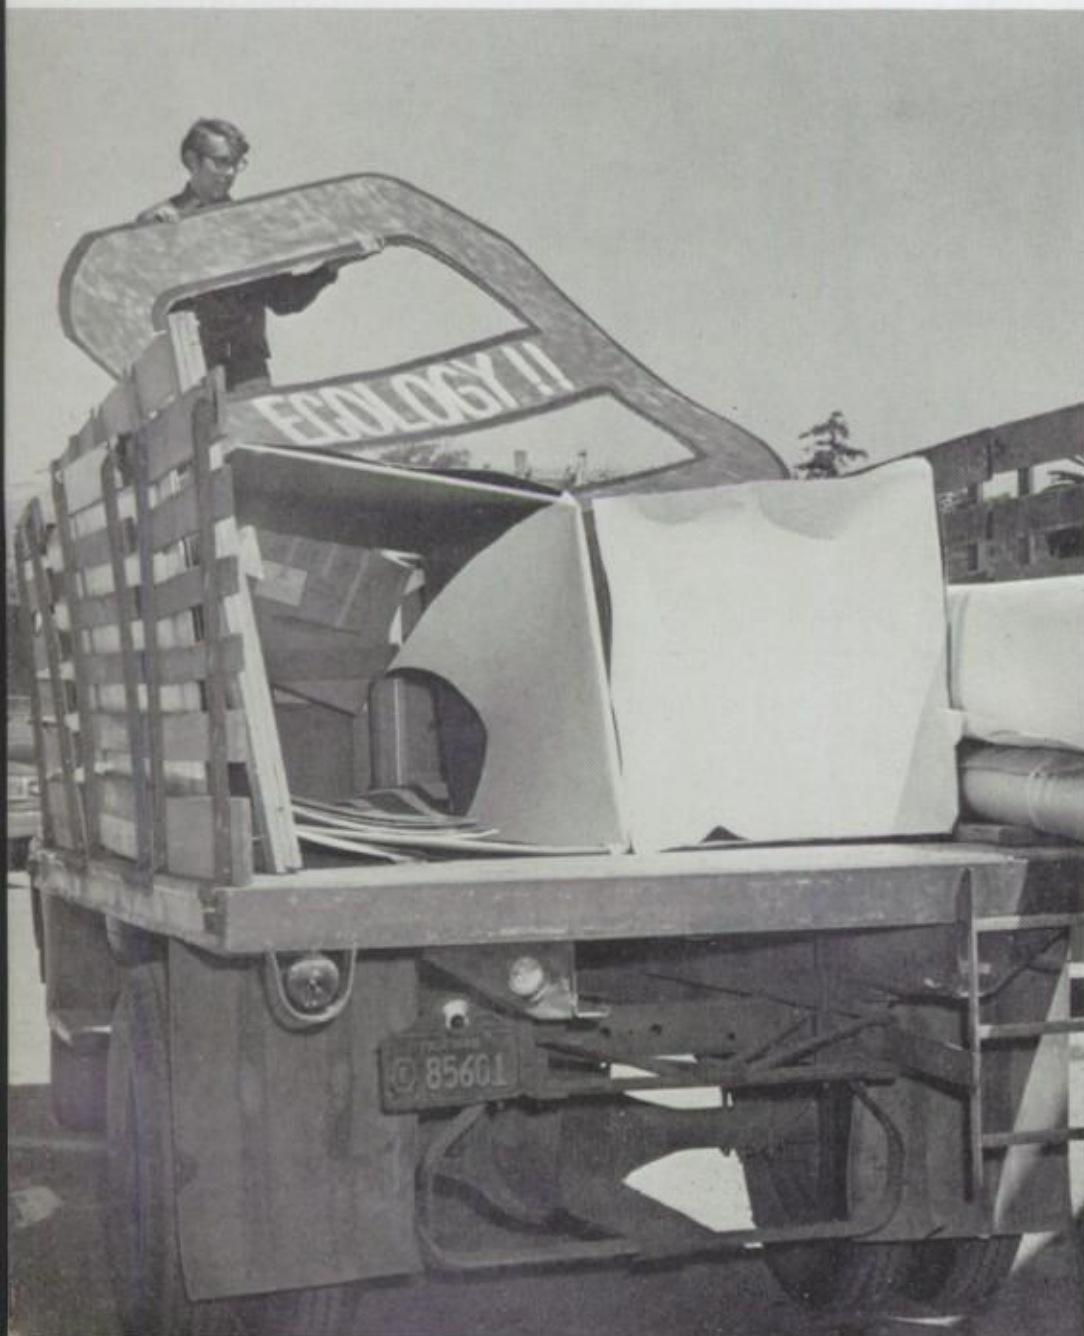

Another Alisal High tradition, the winning of the Jamboree Rooter's Trophy, was kept in 1971. Linda Schneider, the head of the Jamboree Committee and Commissioner of Rooter Activities, worked with her committee all summer and produced a wonderful array of decorations and ideas.

Although the Jamboree rules were strict (no electric lights or public address systems), some old ideas and a lot of new ideas brought the trophy back home once more.

This year, the theme of the Jamboree was "Ecology." Our rooting section was dressed in ecology colors, green and white. Immediately after the national anthem, green and white balloons were released. Later in the evening, an Ecology sign was passed across the sections. Two roll-outs were used: "END POLLUTION - DUMP THE COWBOYS" and a recycling center with a Viking going in and a Trojan coming out. Again Alisal proved they were the best.

David Stein loads truck with winning signs and roll-outs.

Mr. Kearney and Mr. Poulsen cheer the team on.

Miss Flora Albano
Alisal's 1971 Homecoming Football Queen

Flora Albano is crowned 1971 Homecoming Queen.

Nominations, Voting, Crowning ... Homecoming

There's always something special about a queen. This year's Homecoming Queen, Miss Flora Albano, was no exception. Voted queen by the student body, Flora reigned over the last football game of the season. Miss Angela Pearce and Miss JoAnn Stidolph were chosen as the queen's court. All three girls were chosen candidates by the 1971 varsity football squad.

No court is complete without princesses, and this year's class princesses were all deserving of their titles. Miss Kathy Pettigrew, Junior, Miss Liz Arias, Sophomore, and Miss Debra Inman, Freshman, all represented their respective classes well.

A reception followed the game at Alisal. Miss Agnes Cosio and Mr. Bill Snyder were co-chairmen for the Homecoming activities.

Pies, People, Laughter Pie Eating Contest

The gun sounded, and they were off! Another LSEPF Pie-Eating Contest had begun. The contest is a seven-year tradition with the club. For one thin dime, you could see four contestants cover themselves, the floor, the spectators, and everything else with rich, gooey pie. The one who had the pie spread the quickest was pronounced the winner. The prizes were graded by the place: first place received a turkey; a chicken went to the second place recipient; and the third place contestant got a frozen turkey dinner.

Jackie Simon and Jeff Lear were the judges for this year's contest.

1971 Winner: Most Decorative, German Club.

A total of twenty-one clubs and organizations entered the Christmas Door Decorating Contest. It was a beautiful sight to see the doors all decorated along the corridors.

There were two categories this year: Most Decorative and Most Christmas Spirit.

The winners received cash prizes, and in case of ties the prize was split.

The winners in the Most Decorative Category were: First, German Club; second, Thespians; third, a tie between Songleaders and FFA.

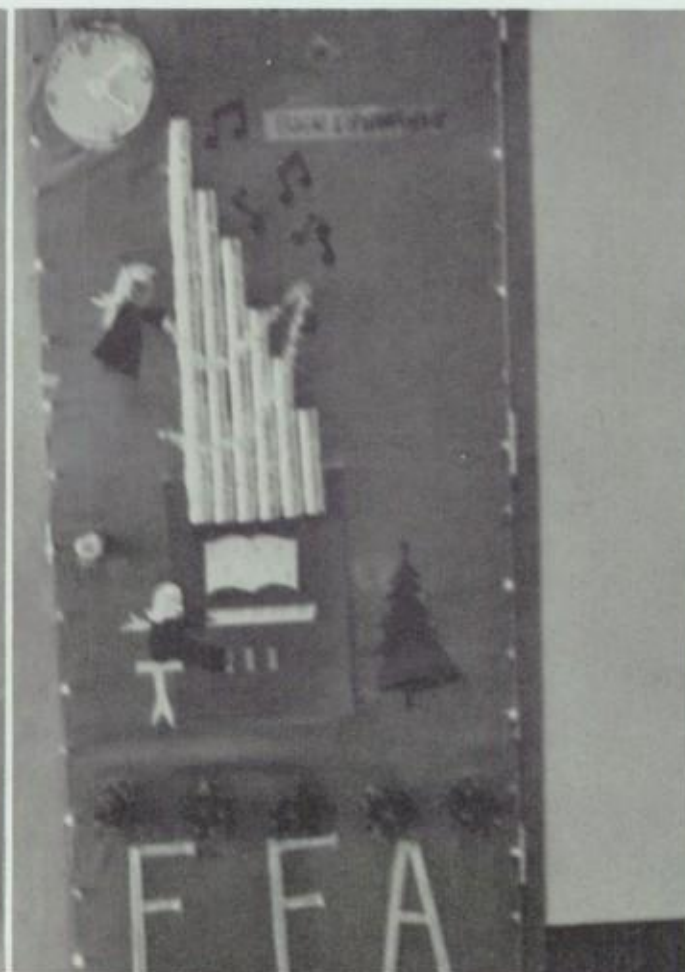

In the Most Christmas Spirit category, the winners were: Vocal Ensemble, first; Class of '75, second; and FSA, third place.

Second Place: Decorative, Thespians

Third Place: Decorative, FFA

Second Place: Christmas Spirit, Class of '75

Chilling, Spine Tingling, Evil . . . "The Bad Seed"

Maxwell Anderson's "The Bad Seed" is not just another chilling, spine-tingling, thriller presented for the sole purpose of merely entertaining an audience, although, it does that particularly well. The focal point and basic theme of the play is the age old question, "Will the sins of the father be visited upon the son," or in this case, the grandmother's upon the daughter. The play is a fine example of a tragedy in which the mother dies in the end. The cast did an excellent job of presenting the show, but one must not forget the crews, such as lighting, publicity, and construction. They contributed just as much time and hard work minus the glamour of the stage and applause. Mr. Richard Mullin's fall production was indeed a much discussed success.

On November 9th, nine days before Alisal's Homecoming Basketball game, the varsity basketball team nominated four girls for the honor of 1971-1972 Homecoming queen candidates. They were Donna Dennis, Angela Pearce, Alene Tonus, and Jo Anne Stidolph. Then a committee headed by Suzanne Briggs, completed the complicated arrangements for the Homecoming. November 18th was the big day: Alisal's 1971-72 Homecoming game against Santa Cruz. During the halftime Donna Dennis was crowned queen. She received a basketball necklace, the Queen's Crown, an engraved silver plate, and roses; beautiful gifts for a beautiful queen.

Laughter, Confusion, Fun . . . "See How They Run"

A lively and high-spirited farce-comedy called "See How They Run" kicked up its heels for six performances during the middle of May in Alisal's Little Theatre. A packed first night house laughed uproariously at the plight of an English vicar's American wife who involved herself in a crazy complicated situation in "See How They Run". From the opening of the show the comedy's fun became more and more comically involved, and it reached a high point of hilarious confusion as five men raced around the vicarage dressed as clergymen, no one being quite sure of who was who or which was which. Mr. Mullins directed Alisal's second theater production.

Talent, Auditions, Rehearsals, Opening Night Laughter . . . Peak Night

Peak Night was a humorous success this year. What else could one expect with Scott Rodgers, Craig Wheeler, Debbie Steele, and Sue Trimble as Masters of Ceremonies? They, along with many others, contributed many laborous hours of tedious work to present this laugh-filled production. Commercials, skits, music, and dance routines were the types of material that Peak Night consisted of. This show made it possible for many of the Thespian Club members to make the long trip to Ashland, Oregon.

Varsity Gridders Provide

Team captain John Bandy

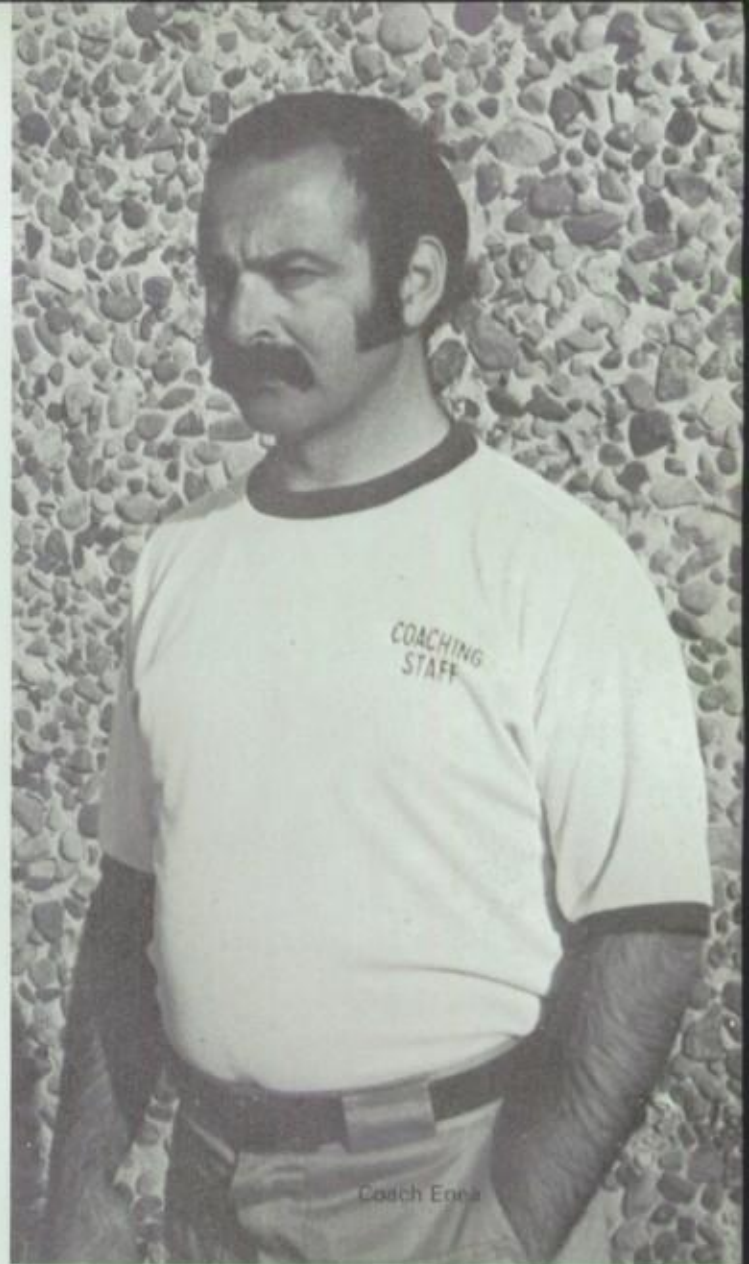

The 1971 Trojan Varsity Football team started the season in great style by winning the Salinas Jamboree for the second consecutive year. It was a thrilling come-from-behind victory, highlighted by the running of the De brothers and Leon Scott, and the clutch pass-receiving of end Pete Favero.

The Carmel Padres played host to the Trojans in the season opener for both teams. Alisal's offense, led by Leon Scott's 3 touchdowns, prevailed 20-13 over a last quarter rally by Carmel. Alisal had the unenviable task of opening the M.B.L. by playing Monterey and Seaside, back to back; both powerhouses. The vaunted "Green Chain" defense held the Toreadores to one touchdown, as Mike Pusley and Curt Buntin led the charge to halt the speed of the Toreadores. The lone score proved to be enough, as the Trojan offense failed on several scoring opportunities.

Fullback Leon Scott penetrated the Seaside defense for a TD, and the tough Trojan defense shutout Seaside, as cornerback Jeff Hollis preserved the 6-0 victory with a last-minute leaping interception at the goal line. Aptos, with its fine passing attack, tested the Alisal defense and found little or no holes, as Bob Pelma and Rick Lazzerini teamed up to give the Mariner's a dose of their own medicine by collaborating on a 40 yd. aerial strike, and Leon Scott bulldozed for 3 touchdowns. The next three games found the men-of-Trojan facing Soquel, Salinas, and North Salinas, only to fall short of victory because of costly mistakes on several key situations. The Green Machine led by running backs John Bandy, Bill Dew, Alex Pardo, Mark Domingo, and the line blocking of John Marsala, Bill Knight, Jeff Savage and Pete Favero, sparked many scoring drives. However, penalties, interceptions, and long runs plagued

Several underclassmen began to emerge on the scene as Soph Safety Danny Ross, and Kenzo Yonemitsu, and cornerback Bill Dew rose to the occasion and led the team. The Alisal Gridders ended the season with a 5-4-1 win-loss record.

Season Begins Well For Junior Varsity Gridders

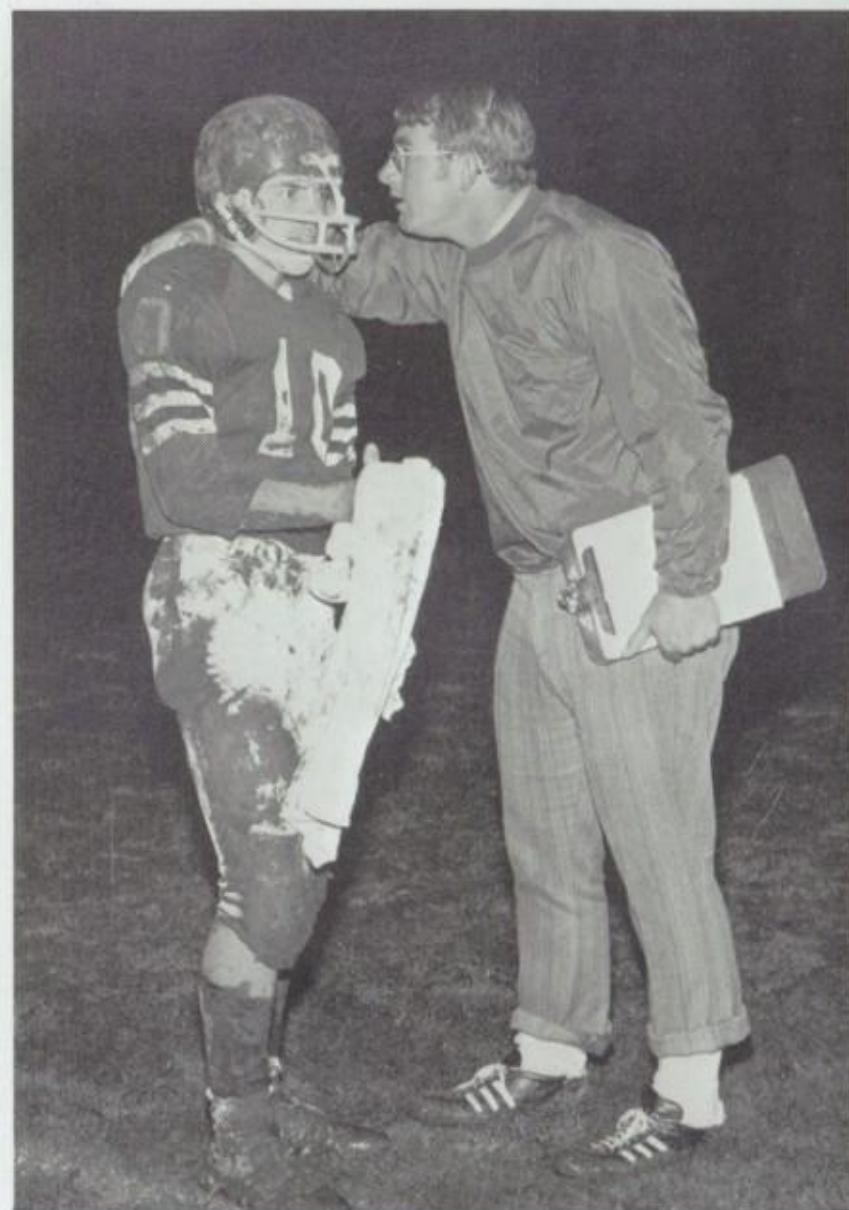

Despite the ties in league play, the junior varsity of Alisal ended up in third place. Added to this was an opening game victory over Carmel and a loss to R.L.S. varsity. The overall record was 5-3-3.

Leading the Trojan offensive machine were quarterback Lewis Brewer, backs, Earl Escobar and Mike Cushman, and the excellent line play of Eddie Anzaldua, Efrain Anzaldua, Bob Ruiz, Carlos Jacobo, Jerry Woodrow, Floyd Morish, Chris Bernal, and Steve Forrest.

Defensively, the Trojans posted three shut-outs this year. Leading the Trojan defense were Mark Hoskins, Gilbert Campos, Charles Simonson, and Larry Ingram in the line, linebackers Cline Sindel, George Stephens, and Mike "Dog" Rameriz; and defensive backs William Smith, Steve Crain, and Ernie Ampuano.

Frosh-Soph Experiences A Year Of Building

It was a year of building at the Frosh-Soph level. Their inability to meet a consistent offensive game was the main problem. As a result the club suffered nine losses, after a 37-6 win in the opener against Carmel. It was a good year however for several individuals who distinguished themselves repeatedly. Ironmen such as Rex Boesh, Jerry Cole and Keith Smith are sure to figure strongly in the plans for the next year.

Coach Allen commended Mike Martin as his best Varsity runner. Mike won the City Championship meet and placed very high in the league. Robert Reyes, a J.V. runner, placed seventh in the MBL Championship meet.

Trojans Place Second In Third C.C.S. Appearance

Although Alisal failed in their bid for a first place finish, the Trojans did extremely well in the stiff C.C.S. competition.

Their first competitors in their bid for the C.C.S. title at the Rosco Maples Pavilion at Stanford was Lynbrook. Lynbrook dominated the ball during the first half keeping the Trojans under by three points. The Trojans were not frightened, as they pulled through at the final buzzer with a 60-49 score. The following night the Trojan five met up with Sacred Heart. From the first quarter to the third, the Irish found Alisal a little slow. But the fourth quarter had not yet been played. When it was over, Alisal scored 17 markers to the Irish's 8; That still wasn't enough, as Sacred Heart captured the championship, leaving Alisal runner-ups with a score of 54-48. Trojan Mark Haddan was named to the All-CCS team because of his fine play and scoring. Also outstanding were Dave Kendrick, Steve Sides, Robert Paredes, and Mike Pearce.

Trojan Hoopsters Capture MBL Crown For Third Year

For the third year in a row, Alisal's cagers captured a first place berth in the Monterey Bay League.

The squad coached by Cork Haddan was led throughout the season by the fine sharpshooting and ball handling of "number 30" Mark Haddan. The younger Haddan set records in scoring by capturing the league and Central Coast Section scoring record with a high marking of 65. He also, during the season, scored 50 or more points in three games.

Although Haddan was the star of the season, he couldn't win the games by himself. The four other Trojans to star in starting roles were tall, senior center Dave Kendrick, along with Mike Pearce, Ron Ritchie, and Steve Sides.

The final wins and losses in league play for Alisal was a breezy 17-1. The only loss came from Seaside, but the Trojans bounced back and capped their league season with a victory over the cross-town rival North Salinas, by the score of 57-49. Also adding to the Trojan offense and defense throughout the year were Robert Paredes, Art Barrientos, Bill Dew, Pete Favero, and Tim Eastin.

J.V. Cagers Earn First Place Berth In MBL

It was a year of basketball for Alisal. Coach Art Gilbert's young junior Trojans captured the lead early in the season in league play. The cagers finished their season with a 19-4 win-loss record, while their league championship record steadied at a cool 16-2.

Throughout the year shining in the spotlight for the young cagers from Alisal were Eddie Hernandez, Joe Blohm, Alex Pardo, David Sawyer, Francisco De La Torre, and Kirt Andrus. With these fine players to supplement Alisal's varsity, things look good for the next season.

Gilbert's J.V.'s started the season off to a quick start, as they shot for their first victory in the initial league game. They ended the season with a victory over cross-town rival North Salinas.

Alisal Initiates Season With Tournament Crown

Trojan center Dave Kendrick leaps high to win jumpball.

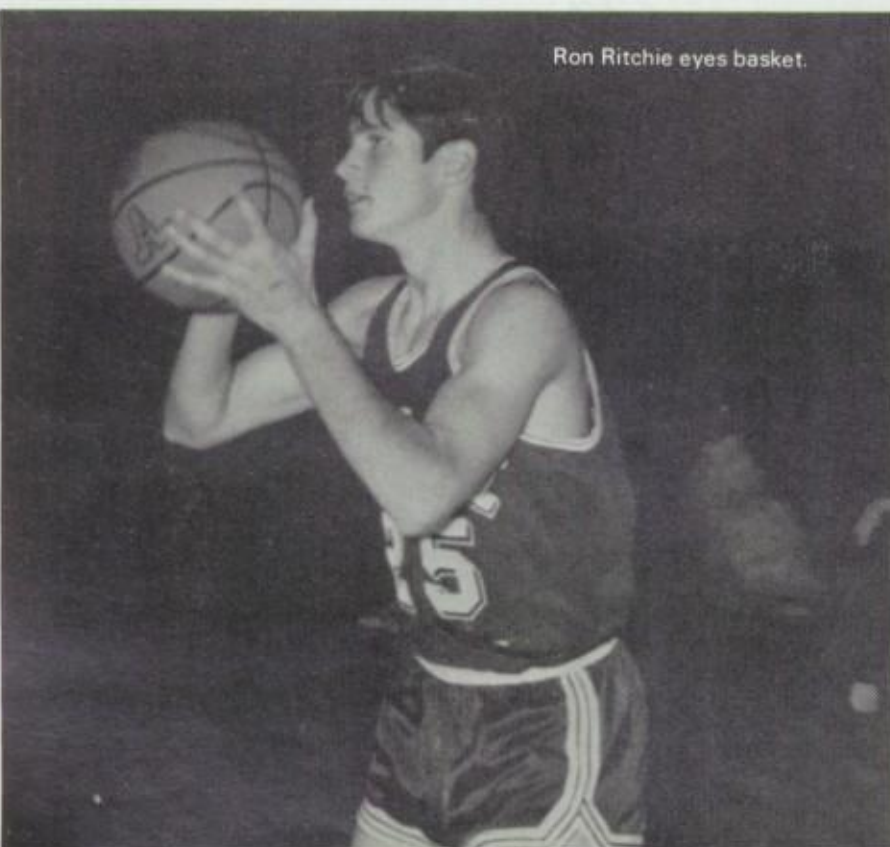

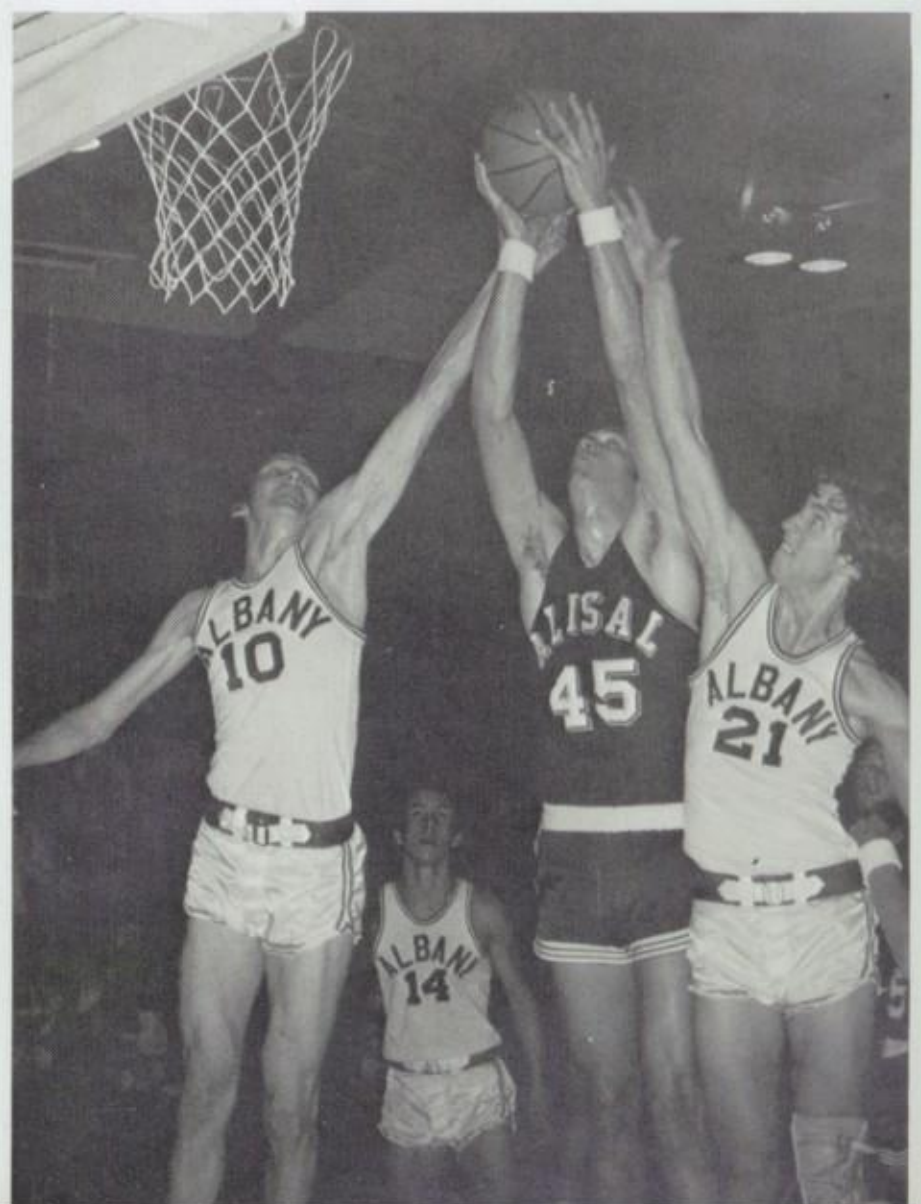

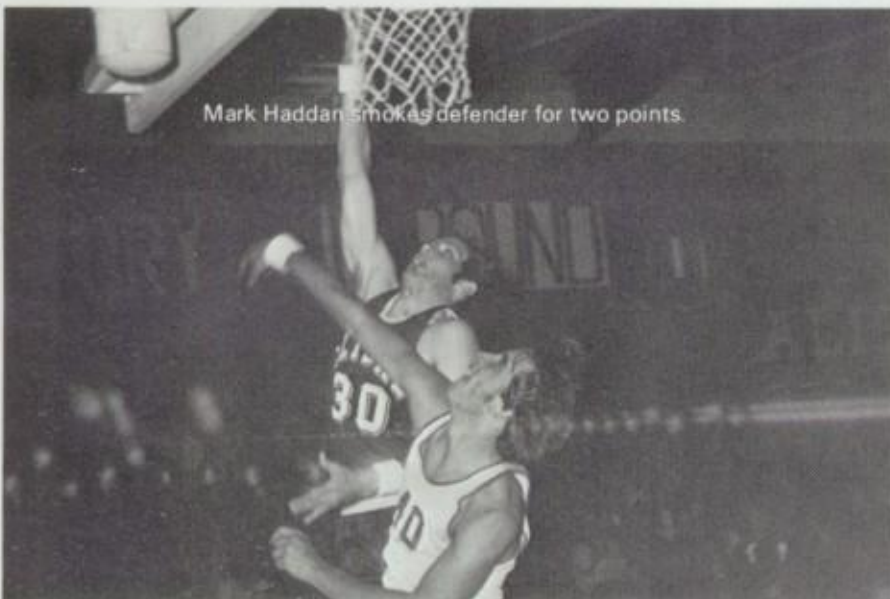

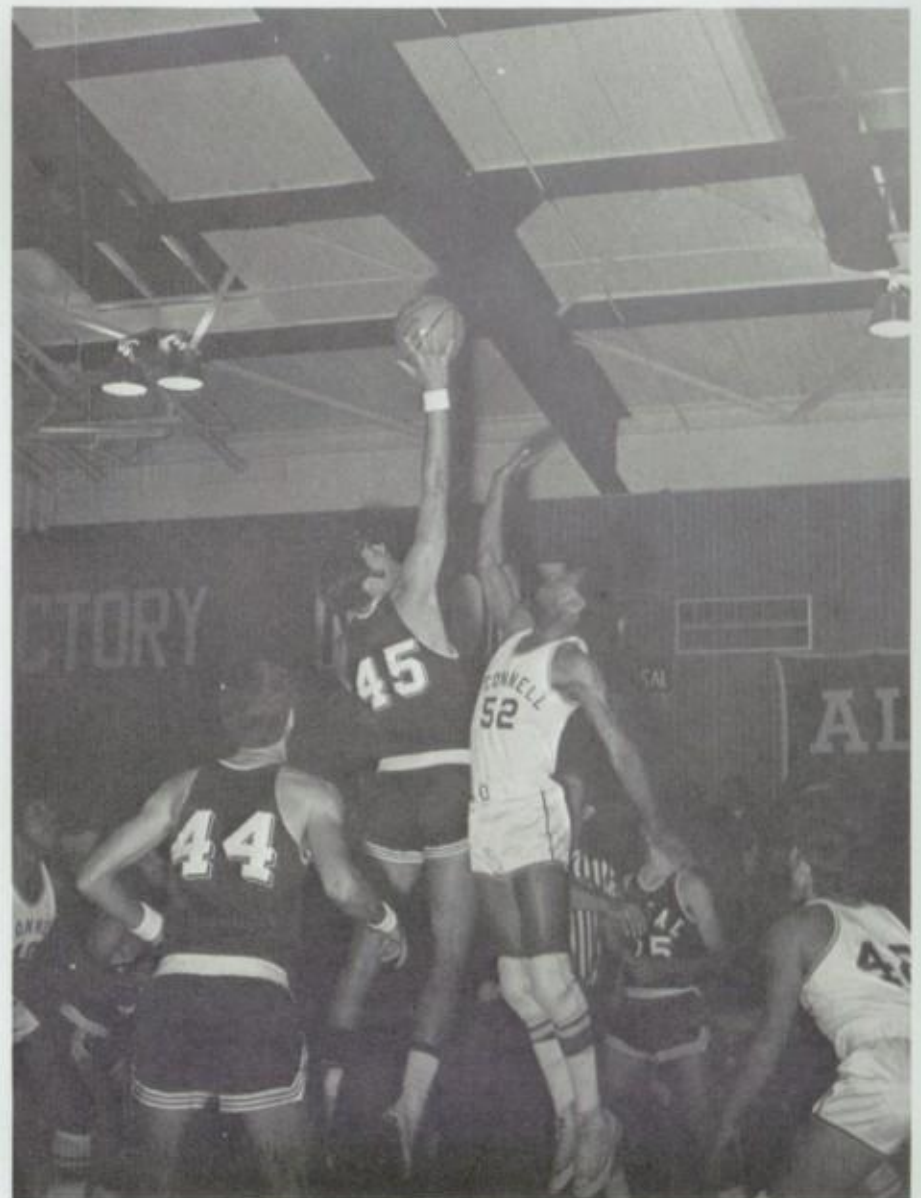

The 1971-72 basketball season for Alisal started with the Alisal Basketball Tournament. Attending the event were seven schools from the Central Coast Section. Alisal, last year's tournament winner and C.C.S. champions, scored hot and frequently during the three day contest enroute to their victory for the championship against Albany.

First to fall under the heels of the Trojan five was Half Moon Bay, 97-49. Mark Haddan bested the game scoring with a total tally of 25 markers.

The next opposition, the second night, was John O'Connell. The final sum of the game was Alisal 92 and O'Connell 57. Haddan again firsted with 30 net points.

The final confrontation of the tournament pitted the two undefeated teams after two games. Alisal's opposition for the night was Albany. Final scoring, 68-61, gave Albany a second place berth in the standings and Alisal another championship. Trojan coach Corky Haddan's son again ruled the boards as he shot for 30 points on the score card.

Gaining honors for the Alisal team at the games were Mark Haddan, whose three game scoring splurge of 85 topped the entire tournament individual scoring race, and senior pivot man, Dave Kendrick. Haddan and Kendrick were named to the All-Tournament team, while Haddan also won the title as the Tournament's Most Valuable Player.

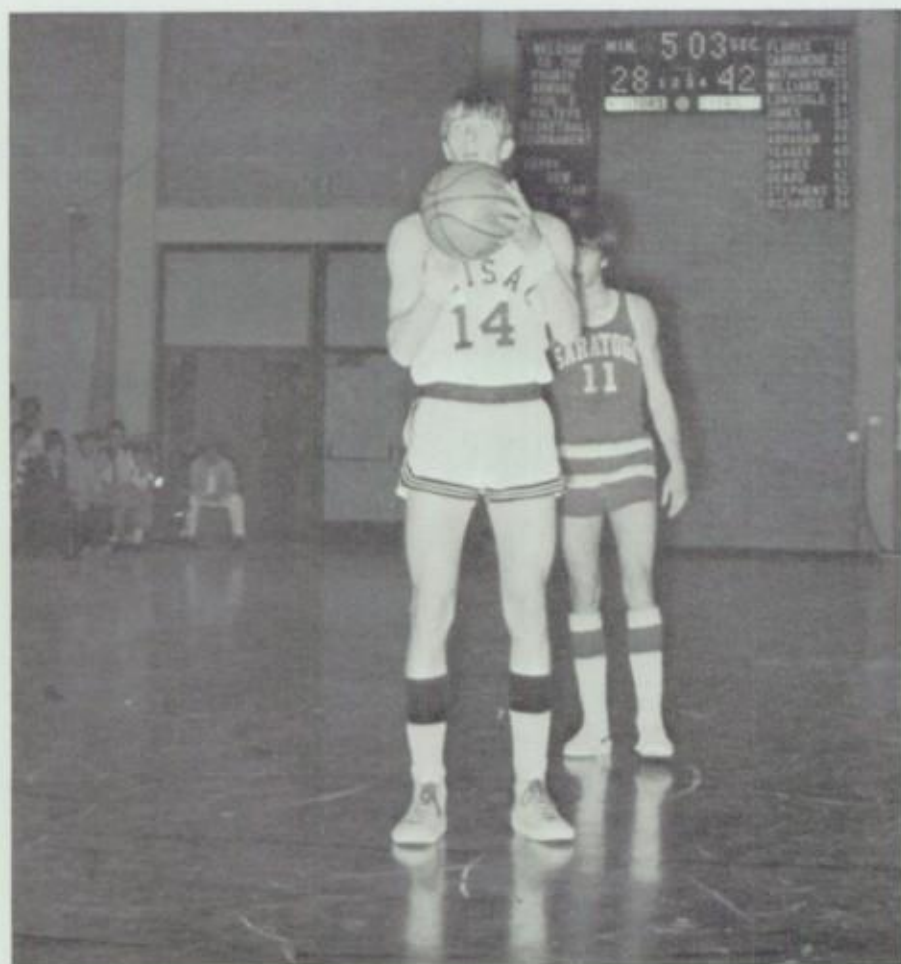

Alisal Continues Winning Streak With Walters' Trophy

"Rookie" Mike Pearce goes up to receive rebound.

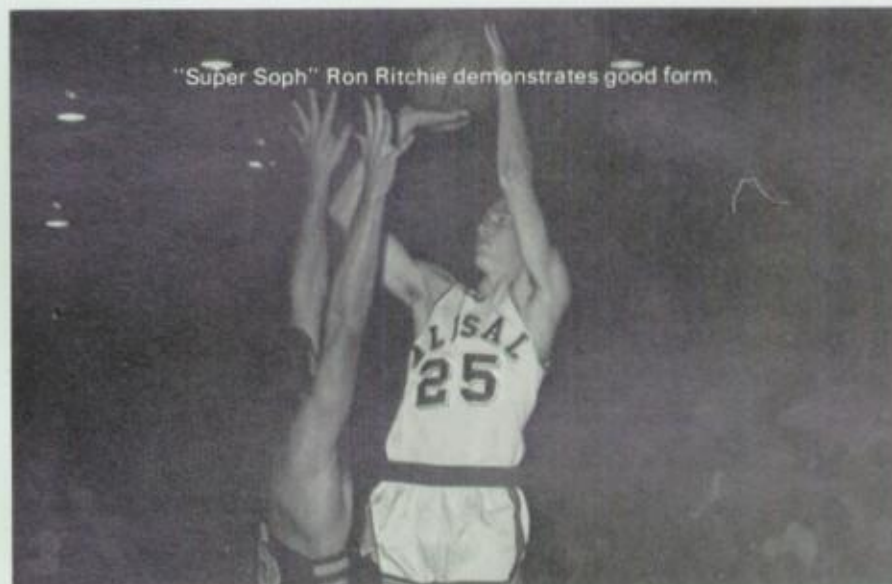

"Mad Dog" Steve Sides adds one more point to lead.

While most people were enjoying their Christmas vacation, the Trojan varsity basketball team traveled to the Paul E. Walters Basketball Tournament at Cabrillo College.

Coach Corky Haddan and company opposed George Washington High on the first night. Led by the scoring attack of Mark Haddan and Dave Kendricks, the Trojan Five won, 75 to 62. The following night Saint Francis was to prove a bit more difficult to maintain as Alisal was just able to win for a 60-55 tally. The final game led to Alisal's championship victory. The opposition was Saratoga. Saratoga proved to be no threat however, as the team seemed to plug the Saratogans scoring chances as they were only able to place 47 points as opposed to Alisal's 71.

Honors going to Alisal included the tournament championship, of course. Dave Kendrick was selected to the All-Tournament team, while Mark Haddan, who broke 6 tournament records, not only was added to the All-Tournament team but also captured the Most Valuable Player award.

"Super Soph" Ron Ritchie demonstrates good form.

First Year Frosh-Soph Team Places Well In MBL

The first year formed, the Alisal Frosh-Soph basketball squad was coached by Gary Mortenson. The young Troys ended their first season by attaining a 11-7 win-loss record and placing fifth in the M.B.L. standings. Their overall record concluded with a 15-8 record for '71-'72.

Pacing the Troys throughout their season were Danny Martinez, Steve Crain, Javier Alcocer, Dave Dew and John Wayman. With a little more experience in the tough M.B.L., Alisal should have a still strong varsity in the years to come.

Trojan Grapplers Gain Third Place In League

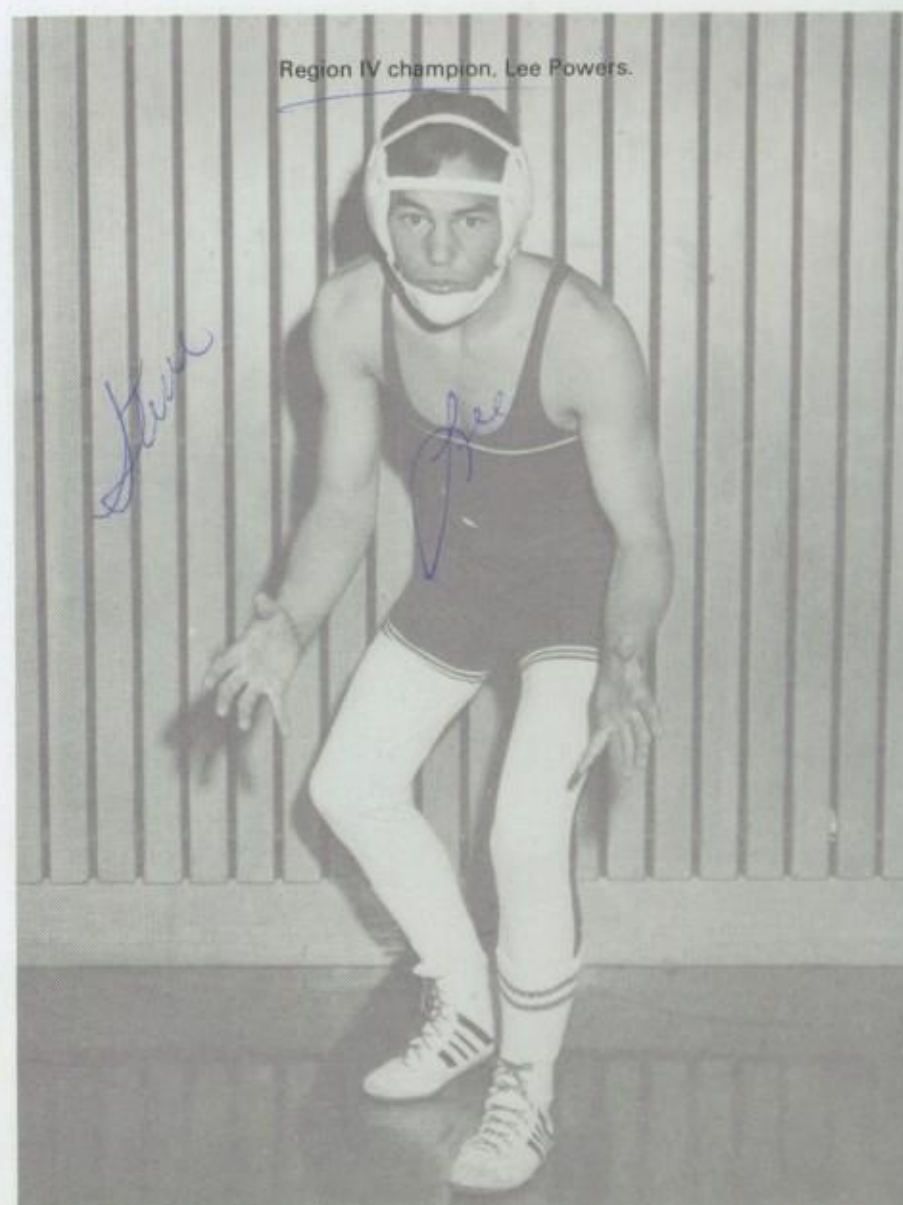

Wrestling, the sport of muscle, brains, and agility, was well represented by Alisal this year, and Terry Espinoza's grapplers combined all three with finesse.

The Trojan grapplers finished their outstanding season with a well earned third place in Monterey Bay League standings. The dedication of Alisal's matmen was shown with their league record of 7 wins, 1 loss, and 1 tie.

In the M.B.L. wrestling tournament, Alisal fared well as the varsity copped three individual first place titles. Finishing in the elite group of champions were 157-pounder Marty Wilson, 194-pounder Bill Knight, and heavyweight John Marsala. Also placing in this heavily competitive tournament were Lee Powers 103, Kenzo Yonemitsu 168, and 125'er Danny Ocampo.

Powers finished undefeated while Knight and Marsala finished their league season with 9-0-1 records. Yonemitsu finished with a 8-0-1 record. These along with Wilson, Ocampo, Diaz, Bobby Perez, and Soupy Marquez all performed well in competition.

At the Region IV meet Marsala, Yonemitsu, Powers, Ocampo, and Wilson were all champions in their artistic specialties, while Knight placed a respectable third place. Marsala, Yonemitsu, and Powers travelled to the Nor-Cal Invitational Wrestling Tournament in Hayward.

J.V. Wrestlers Experience A Rewarding Season

Terry Espinoza's J.V. wrestling crew had a fine 1972 season. The team had an overall record of 9-4, with victories over Gilroy, Hollister, Gonzales, and Pacific Grove. Their league record stood as a win-full 5-4.

Outstanding throughout the year were Clint Sindel, Mark Domingo, Rich Carrillo, Mike Lucero, Ricky Diaz, David Ceja, and Javier Alvarez. With the knowledge and skills these fine wrestlers have developed, next year's junior varsity and varsity squads should be well represented.

"It was a very exciting year with lots of strong competition," said Coach Connie Barton of the girls' swim team in the 1971 season.

With Eileen Agee as captain, the girls' ended the season with a 3-5-1 win-loss record, defeating North High, Live Oak, and Seaside, and tying with Hollister.

When asked about outstanding swimmers, Coach Barton named three especially fine swimmers; Eileen Agee, a freshman, who broke 6 school records; Debbie Molina, a junior, who broke 3 school records in the 25 yd. backstroke; and Susan Stefani, a sophomore swimmer, who captured ten first places.

Other outstanding swimmers also cited were Sharon Andrus, Sara Deliz, and Linda Jeantrout.

Serving Alisal High: Girls' Tennis

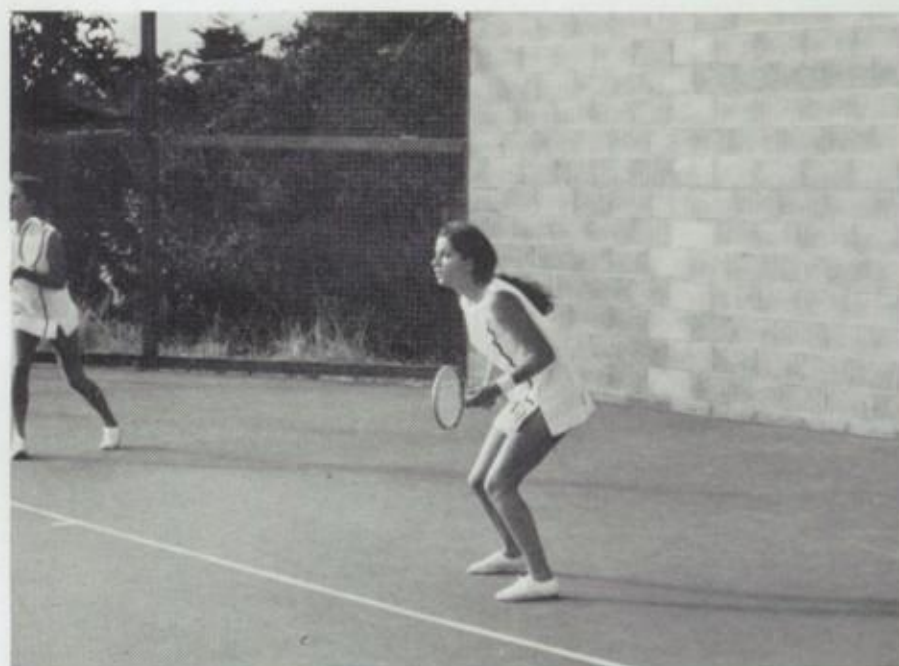

Coached by Mrs. Camany and Mrs. Delcour, the girls' tennis team did some great things with rackets.

The team had some real tough competition with the other area teams. They ended the 1971 season with a 2-4-1 win-loss record.

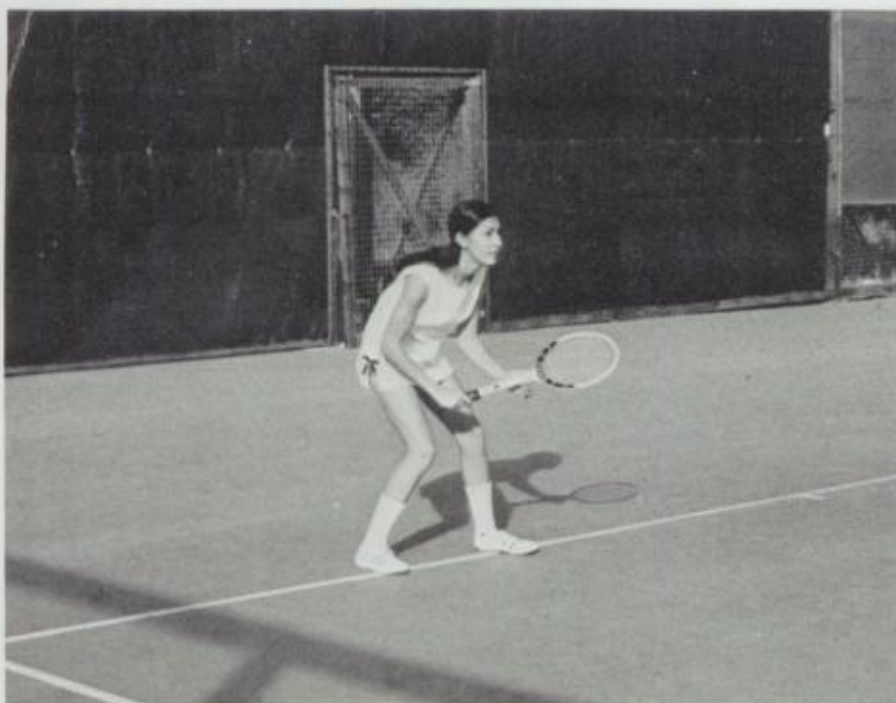

Mrs. Camany named two singles for outstanding performance: Elvia Flores and Karen Briggs. Two doubles' teams were cited: Nina Parise and Glenda Woodrow, and LaVonne Sarmento and Suzanne Briggs.

Two alumnus tennis players, Kathy Souza and Adena Statzer, returned to manage the team this year.

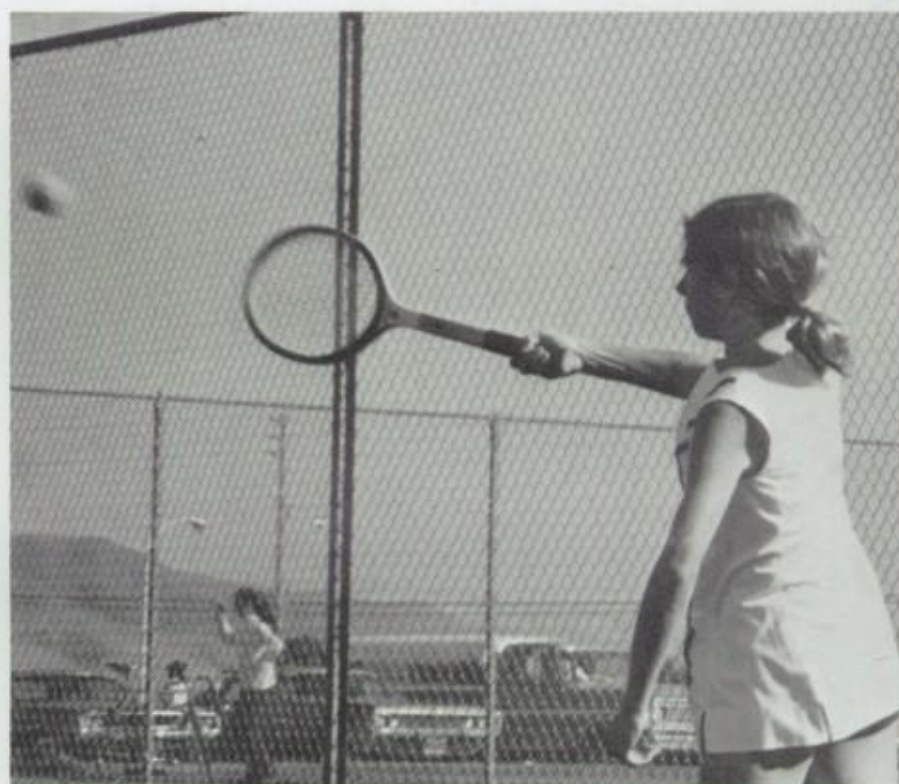

The team will have a good nucleus returning next year, and the coaches have hopes of a better 1972 season.

1972 Varsity Baseball Team Begins Rewarding Season

Coach Chuck Filice's varsity baseball team met their season with great success. The Trojan nine started their season off on the right step by winning their first M.B.L. game. They not only defeated Harbor, their opponents, but they ran away with the game. The final score was that of a 16-7 tally.

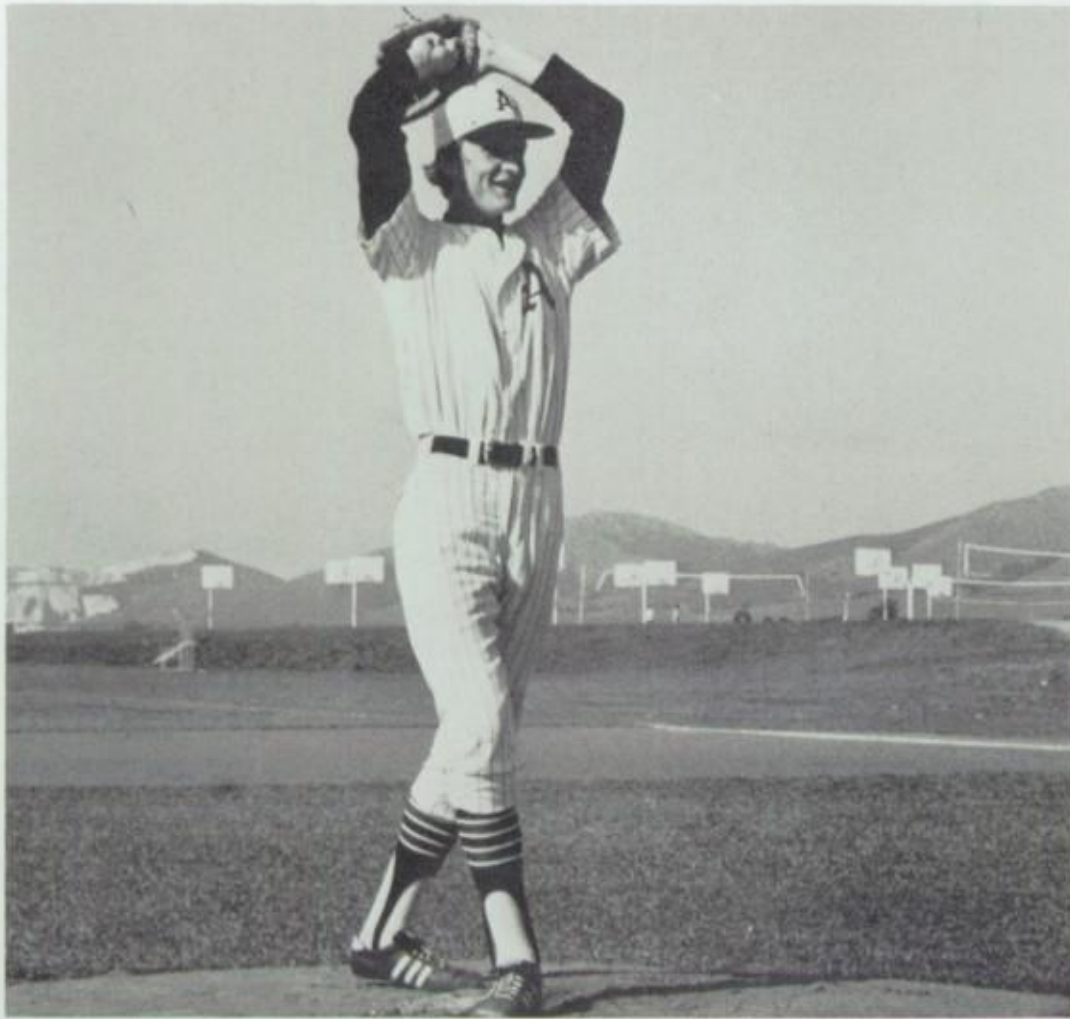

Earning starting spots on the roster this year were, Bob Palma, Danny Ross, Jeff Savage, Randy Geissler, Kirt Andrus, Pete Favero, Dwayne Rowe, Freddy Osborn, and Steve Bellone. Starting on the mound for the '72 Trojans were Tom Pura, Mike Pusley, and Rick McIntire. With the finesse that they have shown this year, the varsity should have a fine varsity season in the year to come.

Painting, Macramé . . . New Renaissance Art Faire

Art students demonstrate that bold lines and color are important for contrast.

This student illustrates that painting isn't limited to brushes.

The first annual Renaissance Art Faire lasted a week and encompassed many displays and activities. The display case by the Library contained a new exhibit every day-leather work, jewelry, bead work, pottery, and macramé.

On Friday and Saturday, the Art Department provided many items for both sale and exhibit. There were posters, pottery, stitchery, batiks, and many other items. Skits, strolling minstrels, band concerts, poetry readings, and a pottery-wheel demonstration added to the highly creative week.

Mrs. Roessler is to be commended on a well received showing of Alisal's fine student crafts and exhibitions.

Go Placidly

Could the wise I write, I remember what peace
there may be in silence, the far as possible be accord
terms with all persons. Speak your truth, gently & clearly
& listen to others, even the dull & ignorant; they too have their
story. A mild and unassuming person, they are vexation to
the spirit. If you compare yourself with others you may become
vain & bitter; for always there will be greater & lesser persons than
yourself. *** To win your achievements as well as your place. Keep
interest in your own career, however humble; it is a real possession
in the changing times of time. Be serene & calm in your business
affairs; for the world is full of trickery. * But let this not blind you to
what virtue there is. *** Many persons strive for high ideals &
everywhere life is full of heroism. Be yourself. * Especially do not
boast of your affection. *** Neither be cynical about love; for in the face
of all aridity & disenchantment, it is perennial as the grass. ***
Take kindly the counsel of the years, gracefully surrendering
the things of youth. *** Mutate strength of spirit to shield
you in sudden misfortune. *** But do not distress yourself
with imaginings. All many fears are born of fatigue & loneliness.
Beyond a wholesome discipline, be gentle with yourself.
You are a child of the universe - no less than
the trees & the stars. *** You have a right to be here.
*** And whether or not it is clear to you, no doubt
the universe is unfolding as it should. *

Therefore be at peace with God, whatever
you conceive Him to be, & whatever your labors
& aspirations in the noisy confusion of life, keep peace
with your soul. *** With all its sham, its fraud, its
broken dreams, it is still a beautiful world.
Be careful.
Strive to be happy. *

The production of a yearbook requires imagination, the willingness to work, and a united effort. As a new editor I was fortunate to have an advisor and a staff who embodied each of these qualities. This year, as in any year, there were many problems as well as triumphs, but with the help of many people the Trojan '72 was produced. To these people I would like to express my gratitude.

The person I owe my deepest thanks to is Mr. John Angelo, the staff's advisor. Besides being the advisor, he has become a special friend to everyone on the staff; guiding all of us through many problem times. On behalf of the staff I thank you Mr. Angelo.

Mr. Ken Cook, Cooks Photography, Mr. Gene Jones, Hurl Swartz Studios, and Mr. Bob Rood Jr., Dolly and Bob's Photography all deserve thanks for their services. They spent many hours capturing scenes of Alisal life. To all of them I say thank you.

Mr. Ken Cook merits special recognition for his beautiful color photography and his many hours of hard work. Thank you Mr. Cook.

I would also like to thank Mr. Kearney, the administration, and the staff. Their help and cooperation was greatly appreciated. Special thanks go to all the teachers who allowed staff members to miss class for yearbook work.

To Mrs. Beverly David I would like to express a very special thank you for her time and assistance to our Business Editor and staff.

Finally, I cannot forget the most important people of all: my staff. Their time, work, and enthusiasm has produced a yearbook that Alisal can be proud of. George Ann Wence, business and ads, Fay Bradshaw, typist, and Tom Valdriz, photography deserve my deepest thanks. They were always there to offer their assistance at deadline time. Becky Carpenter, copy writer, David Jorgenson, sports, Mark Haddan, faculty, Beverly Lively, classes, Yolanda Perez, activities, and Kenny Wynne, organizations did an excellent job on their sections. I thank all of them and all the people on the staff; they did a great job.

And, to everyone who helped in any way I would like to express my gratitude. The job of producing a yearbook is difficult; the staff and I appreciated each minute of help which we were given.

Sincerely,

Rita Morales
